

Installation

Installing the appliance

- Push the oven into the building-in niche as far as the wooden blocks/transport protectors (8). When doing so make sure that the connection cable cannot get trapped or damaged.
- Remove the wooden blocks/transport protectors (8) from the base of the oven on the right and left hand side (see illustration) and then push the appliance into the building-in niche until it is up against the back panel of the housing unit.

After aligning the appliance it must be secured in the housing unit.

- Fit fixing screws (9) into the vertical trim on the left hand side of the appliance as shown in the illustration.
- Using the Operating Instructions as a guide, check all oven functions are working correctly.
