Miracle Worker Study Guide Messiah College:

Jesus the Miracle Worker Graham H. Twelftree, 1999-05-25 Graham Twelftree extensively examines the miracles of each Gospel narrative. He weighs their historical reliability and considers the question of miracles and the modern mind.

Seeing the Messiah Jonathan Kendall, 2025-07-14 Apparitions are real. The evidence for their objective nature is immense and they are frequently not the transparent non-physical manifestations depicted by Hollywood and popular culture. Moreover, some apparitions demonstrate blatantly physical characteristics to the point that they may be initially mistaken for real people. *Seeing the Messiah* takes readers on a tour of case studies from eight well-evidenced categories of apparitions that occur in nature. These categories include visions of the bereaved, those that linger in haunted houses, figures that materialize during séances, and apparitions that represent religious icons such as the Blessed Virgin Mary. What exactly are apparitions? Visitations from the supernatural realm? Dramas created through telepathy? Dr. Kendall speculates on how these strange intrusions into our reality might best be interpreted and the implications this has for the nature of reality itself. Having established the characteristics of this phenomenon, Dr. Kendall examines claims that Menachem Mendel Schneerson, the Lubavitcher Rebbe, was raised from the dead, with special scrutiny of the post-mortem encounters of the Rebbe with his followers. He then evaluates the historical data used to support Jesus' resurrection in light of the same apparitional data. Do those who see the Messiah merely experience apparitions? **Kingdom Manifesto (Volume 1)** Nelson

Thermitus, 2020-04-14 Manifestos are very popular nowadays. Some one could argue have become infamous. Kingdom Manifesto, however, is a series of biblical studies on the Sermon on the Mount. This manifesto was originally given by the King of kings. The first volume is on the Beatitudes, which the author entitled the Beautiful Attitudes. The author, Dr. Nelson Thermitus, has done an in-depth study of the Beatitudes; he has offered different ways to apply them and live them out in your Christian walk. These beautiful attitudes, once applied with the help of the Holy Spirit, will help you to become a better disciple of our Lord and Savior, Jesus Christ. The values of the kingdom are thoroughly explained. The book will aid you in assessing your values with those of the King and require a change in your behavior. This book could serve as a personal devotional or personal Bible study; it is also perfect for small group Bible studies. The author believes that Kingdom Manifesto can truly change the world and make it a better place. Happy reading. *The Western Christian Advocate*, 1902 *Jesus and Paul* B. J. Oropeza, C. K. Robertson, Douglas C. Mohrmann, 2010-02-08 A new generation of scholars examines many of the themes explored by the outstanding scholar James D. G. Dunn. Jesus' Resurrection and Apparitions Jake O'Connell, 2016-11-03 Did Jesus rise physically from the dead, or did he rise as a real non-bodily apparition like those reported in the parapsychological literature? In this book, which is the first book-length examination of the question in over fifty years, Jake O'Connell argues in favor of the physical resurrection hypothesis. In order to do so, he employs Bayes' Theorem, a mathematical theorem which encapsulates the way humans think when they analyze the probability of a hypothesis. In addition, he provides a thorough

overview of the evidence for the reality of apparitions of the dead **Evidence for God** William A. Dembski, Michael R. Licona, 2010-07-01 There have always been challenges to belief in God as he is revealed in the Bible and each new year seems to add more questions to the doubter's arsenal In Evidence for God leading apologists provide compelling arguments that address the most pressing questions of the day about God science Jesus the Bible and more including Is Intelligent Design really a credible explanation of the origins of our world Did Jesus really exist Is Jesus really the only way to God What about those who have never heard the gospel Is the Bible today what was originally written What about recently publicized gospels that aren't in the Bible and much more *The Spectator*, 1917 A weekly review of politics literature theology and art [The Words of Jesus in the Gospel of Thomas](#) David W. Kim, 2021-07-01 This book offers a detailed analysis of the Gospel of Thomas in its historic and literary context providing a new understanding of the genesis of the Jesus tradition Discovered in the twentieth century the non canonical Gospel of Thomas is an important early text whose origins and place in the history of Christianity continue to be subjects of debate Aiming to relocate the Thomasine community in the wider context of early Christianity this study considers the Gospel of Thomas as a bridge between the oral and literary phases of the Christian movement It will therefore be useful for Religion scholars working on Biblical studies Coptic codices gnosticism and early Christianity **Moving Forward After Messing Up** Dr. Chris Rappazini, 2024-05-07 Is something from your past impacting your future No one wakes up and says I think I'll make a mess of my life But many people find themselves in places that feel beyond repair If you've made decisions that have left you and others hurt that have brought you to a place that feels dark or desperate you're not alone Professor and pastor Chris Rappazini looks to real life biblical characters who've made messes of their lives and shows how God delights in forgiveness and redemption Do you need God to do something that feels impossible Freedom from an addiction or the haunting consequences of bad choices A second chance at marriage family or a career Maybe you love someone whose devastating path of poor decisions is inflicting heartache upon heartache Through sharing the personal journey he's been on with his brother who is in the process of moving forward after messing up Rappazini uncovers the true heart of the Father and the dramatic ends He goes to bring restoration What happens when we honestly face our mess and seek God Can beauty love or hope follow Failure and regret can create humility and deepen our character Those who seem permanently wrecked can experience joy freedom and a newfound dream In Moving Forward After Messing Up Rappazini takes us beyond despair to biblically based forgiveness and a faithful future
