A Simple Guide to Experience Miracles J. P. Moreland, 2021-11-16 Does God Still Do Miracles Today A Simple Guide to Experience Miracles will give you confidence in and awareness of the supernatural realm as you learn how to flourish spiritually by experiencing more miraculous interventions in your life and ministry Internationally renowned philosopher J P Moreland looks at the nature of miracles and explains why bearing and receiving credible testimony to God's miraculous acts is a crucial feature of a mature Jesus follower He also shows how to distinguish a real miracle from a mere coincidence Miracles bring comfort to believers strengthening faith in God and creating boldness in our lives While miraculous healings have occurred frequently throughout church history Moreland provides data showing how the last fifty years have seen a massive outbreak of miracles and supernatural activity Today he argues the church should humbly expect to see more of these miraculous works of God than we do Moreland looks at topics like The relationship between sickness and suffering along with two different ways to pray for healing How to discern clearly the difference between a genuine miracle and a mere coincidence How to increase your faith that petitionary prayer really works and what to make of unanswered prayer Six ways God speaks to us and advice for hearing God wisely and biblically The role angels play in our lives how they appear to us and how to combat demonic influence The biblical basis for most Near Death Experiences and what we can learn from them A Simple Guide to Experience Miracles increases your expectation and hope that God can and often does miraculously intervene to bring help and comfort Moreland shows that it makes rational sense to step out and engage in employing Kingdom power and to strengthen courage to witness and act on behalf of the gospel of Jesus Filled with inspiring credible motivating accounts of miracles he covers five different kinds of supernatural activities and provides practical wisdom about how to begin practices such as healing prayer and learning to deal with the demonic

[A Healer's Guide to Miracles](#) John Stern, 2000-07-04 A Healer's Guide to Miracles has three parts theory practice and mediations The first part theory defines what a miracle is Next miracles are discussed in terms of the mental emotional and physical The last chapter of part one looks deeply into the role that forgiveness plays in healing In part two practice there is a format similar to part one First the physical environment of the healer is discussed The next chapter deals with the practical aspects of healing the mind A chapter is devoted to the topic of love in healing This chapter goes deeply into the roles of compassion empathy and faith in healing Finally there is a chapter titled Healing Yourself Divine Mind Healing This is a meditation that integrates the deepest principles of A Course in Miracles with the healing of specific symptoms Part three is titled Mediations The Experience of Miracles This part contains four mediations Each of these helps bring about the miracle minded state that is necessary in order to heal and be healed
