Misreading Scripture With Western Eyes:

Misreading Scripture with Western Eyes E. Randolph Richards, Brandon J. O'Brien, 2012-07-31 Brandon O'Brien and Randy Richards shed light on the ways that Western readers often misunderstand the cultural dynamics of the Bible. Identifying nine areas where commonplaces of modern Western thought diverge with the text, the authors ask us to reconsider long-held opinions about our most beloved book. *Misreading Scripture with Individualist Eyes* E. Randolph Richards, Richard James, 2020-10-13 The Bible was written within collectivist cultures and it's easy for Westerners to misinterpret or miss important elements. Combining the expertise of a biblical scholar and a missionary practitioner, this essential guidebook explores the deep social structures of the ancient Mediterranean, stripping away individualist assumptions and helping us read the Bible better. **Summary of E. Randolph Richards & Brandon J. O'Brien's**

Misreading Scripture with Western Eyes Everest Media, 2022-04-16T22:59:00Z Please note: This is a companion version, not the original book. Sample Book Insights: 1. There are many differences between cultures, and these are typically easy to spot. However, there are also many differences between languages, and these are often more difficult to spot. 2. The cultural differences between the ancient Israelites and the modern world are harmless enough once we're aware of them. They can surprise and delight us. **Queering the Pulpit** Karyn L. Wiseman, 2024-11-07

Queering the Pulpit addresses the huge gap between the Queer community and the church by looking at the historical, cultural, theological, and biblical issues that too often marginalize the Queer community. After setting that contextual foundation, the book addresses the clobber passages in the Hebrew Bible and the New Testament, which are the texts that have been used to bash Queer folk. Looking at these texts through new eyes is essential. Using a Queer-affirming process, the book turns to creating a new process for establishing a foundation and understanding the diverse context into which sermons are delivered and heard. Using a new exegetical approach to crafting Queer-affirming sermons, the preacher will be better able to preach sermons that invite Queer folk, inspire other listeners to welcome all, and bring the listener to a deeper relationship with the Divine, and hopefully their Queer siblings. If this book helps save one gay kid, one trans woman of color, or one couple exploring their faith and their Queer lives, it will be worth everything it took to bring this book to reality. *Hermeneutical Community* C. S.

Barefoot, 2024-12-23 Many Western initiatives exist for theological development in the majority world, but how often do practitioners from the West pause to examine the role they should play in that endeavor? Missions history and church history have revealed inadequacies of imposing foreign theology on local churches, yet the alternative of withdrawing from local theological development appears equally problematic. If therefore the outsider's role is neither to impose theology nor to withdraw from the task, then what is his or her role? *Hermeneutical Community* addresses this fundamental question and seeks to lay a sound missiological foundation for local theological development. *Preaching with Cultural Intelligence* Matthew D. Kim, 2017-10-17 To preach effectively in today's world, preachers need cultural intelligence. They must build

bridges between listeners who come from various denominations ethnicities genders locations religious backgrounds and more Experienced preacher and teacher Matthew Kim provides a step by step template for cross cultural hermeneutics and homiletics equipping preachers to reach their varied listeners in the church and beyond Each chapter includes questions for individual thought or group discussion The book also includes helpful diagrams and images a sample sermon and appendixes for exegeting listeners and for exploring cultural differences **Teaching and Learning across Cultures** Craig
