Mistress Tease Guide:

The Ultimate Guide to Tease & Denial Georgia Ivey Green, 2015-11-27 Description The Ultimate Guide To Tease Denial is more than just about what to do when you want to tease your guy sexually It s about taking control of your sex life and getting what you want from it There is a step by step guide that will walk you through your first month of teasing so that you can get used to doing those things you need to do to make things better A must read for chastity enthusiasts Tease and denial has never been so simple Whether you want to utilize chastity in your relationship or not makes no difference in a modern healthy relationship Reading this book will give you insights into your partner s motivations like nothing before You can take control of what you want and leave the rest to him The Ultimate Guide to Tease Denial is a refreshing outlook on the sexual aspect of female domination that many women find cumbersome I remember the days when I thought being a tease was a bad thing but Mistress Ivey has completely changed my perspective with her book She empowers women by teaching not only how to use our inherent sexual charm to mold men s behavior but why it is important to release that inner naughty girl that many of us were taught to hide This book has opened so many new channels of thought for me as it clearly points out how vital it is to express my love for my partner by using my feminine charms to seduce him every day and in many exciting ways while keeping him hung up and thirsty for more Te Erika Queenie Patterson Publisher ConquerHim Com Celebrating The Beauty of Female Led Relationships
