Blue Sky Dream David Beers, 2012-05-02 In Blue Sky Dream A Memoir of America's Fall from Grace award winner David Beers offers a powerful personal vision of the rise and fall of the American middle class Here is a dazzling literary chronicle of a family a people and a nation the blue sky tribe of ever optimistic middle class Americans who believed in something called the American Dream then woke up one day to discover it was gone Blue Sky Dream is a book incredibly rich in ideas in ways of seeing the recent past with stunning clarity David Beers explores issues that define our times downsizing middle class anxiety the profound anger with government the sense that something has gone awry with the United States with such skill personal immediacy and compassion that readers will see their own histories in his prose Blue Sky Dream can rightly be called a communal memoir because in telling his family's tale growing tensions and disillusionment in their suburban paradise a son rejecting his parents values one sudden and inexplicable moment of violence Beers tells the story of his people the blue sky tribe who imagined ourselves to be living the inevitable future and are very surprised today to discover we were but a strange and

aberrant moment that is now receding into history The Devil is a Black Dog Sandor Jaszberenyi,2015-02-24 In the nineteen extraordinary stories that comprise *The Devil Is a Black Dog and Other Stories* writer and photojournalist Sandor Jaszberenyi shows us the human side of war and revolution in the contemporary Middle East and Africa and of the social upheaval that has held Eastern Europe in its grip since the fall of communism Characters contemplate the meaning of home love despair family and friendship against the backdrop of brutality From Cairo to the Gaza Strip from Benghazi to Budapest religious men have their faith challenged and people under the duress of war or traumatic personal memories deal with the feelings that emerge Often they seem to suppress these feelings but no not quite Set in countries the author has reported from or lived in these stories are all told from different perspectives but always with the individual at the center the mother the soldier the martyr the religious man the journalist and so on They form a kaleidoscope of miniworlds of moments of decisions that together put a face an emotion a thought behind humans who confront war and conflict Although they are fiction they could have all happened exactly as they are told Each story leaves a powerful visual image an unforgettable image you conjure up again and again Jaszberenyi is able to do all this so convincingly in part because he himself is not a helicopter journalist but rather lives in a residential Cairo neighborhood He is moreover from a corner of Eastern Europe where cynicism almost equates with survival and yet his writing evinces not only wry humor but great sensitivity and a profound sense of beauty He speaks Arabic in addition to English and his native Hungarian and immerses himself in the society he reports on But in doing so he still remains a reporter and as such the stories are approached with the clinical observant eye of an outsider Whether addressing the contradictions of international humanitarian work or the moral dilemmas faced by those who seek to improve the health and lives of women and girls he does so in a singularly provocative and yet intelligent manner *A Full Back Slower Than Your Average Prop* Ian Smith,2019-10-10 Listed as one of the five

worst international selections ever and described in a book about Scottish rugby as a full back slower than your average prop Ian Smith cheerfully won eight caps for Scotland in a career that saw him score every point for his team on his debut in an historic victory over South Africa and in so doing became the first Scottish full back to score a Test try and defeated a star studded England team to lift the Calcutta Cup at Murrayfield in the 1970 Five Nations One of eight international full backs to have come out of Heriot's F.P. Smith also played for a dashing innovative Edinburgh University side that revolutionised attacking back play But this book is so much more than a story of a fleeting Test career It is a window to another time when a player could appear as Smith did for his club's third XV and two weeks later make his international debut for his country And then eight Tests later return to his club where he was only considered good enough to play for the second XV

Antiquities and Other Stories Cynthia Ozick,2022-03-01 From one of our most preeminent writers a tale that captures the shifting meanings of the past and how our experience colors those meanings now alongside four previously uncollected stories In *Antiquities* Lloyd Wilkinson Petrie one of the seven elderly trustees of the now defunct for thirty four years Temple

Academy for Boys is preparing a memoir of his days at the school intertwined with the troubling distractions of present events As he navigates with faltering recall between the subtle anti-Semitism that pervaded the school's ethos and his fascination with his own family's heritage in particular his illustrious cousin the renowned archaeologist Sir William Matthew Flinders Petrie he reconstructs the passions of a childhood encounter with the oddly named Ben Zion Elefantin a mystifying older pupil who claims descent from Egypt's Elephantine Island Included alongside this wondrous tale touched by unsettling irony and with the elusive flavor of a Kafka parable are four additional stories in Cynthia Ozick's brilliant distinctive voice weaving myth and mania history and illusion *The Coast of New Zealand* *The Bloodline of the Alkanas* *Sin* and *A Hebrew Sibyl*
