His And Hers:

His & Hers Alice Feeney, 2020-08-26 There are two sides to every story yours and mine ours and theirs His Hers Which means someone is always lying Anna Andrews finally has what she wants Almost She s worked hard to become the main TV presenter of the BBC s lunchtime news putting work before friends family and her now ex husband So when someone threatens to take her dream job away she ll do almost anything to keep it When asked to cover a murder in Blackdown the sleepy countryside village where she grew up Anna is reluctant to go But when the victim turns out to be one of her childhood friends she can t leave It soon becomes clear that Anna isn t just covering the story she s at the heart of it DCI Jack Harper left London for a reason but never thought he d end up working in a place like Blackdown When the body of a young woman is discovered Jack decides not to tell anyone that he knew the victim until he begins to realise he is a suspect in his own murder investigation One of them knows more than they are letting on Someone isn t telling the truth Alternating between Anna s and Jack s points of view His Hers is a fast paced complex and dark puzzle that will keep readers guessing until the very end His, Hers and...Theirs? Judy Duarte, 2010-08-01 Eva Galindo s dream of being a mother was about to come true twice over The Brighton Valley biologist wasn t just having a baby she was expecting twins Meeting single father of twins Dan Walker seemed like the sweetest twist of fate How could she not offer to help out the gorgeous Texas rancher by being temporary mommy to his own adorable pair Suddenly becoming guardian of his orphaned niece and nephew was a tall order for any man But Dan couldn t think of a better stand in nanny than the sloe eyed mother in training Only now he didn t want Eva to leave Maybe it was time to take a chance on both their futures by combining forces and turning two into one big loving family *Sonosyntactics* Paul Dutton, 2015-11-07 Sonosyntactics introduces the reader to over forty five years of Paul Dutton s diverse and inventive poetry ranging from lyrics prose poems and visual work to performance texts and scores Perhaps best known for his acclaimed solo sound performances and his contributions to the iconic sound poetry group The Four Horsemen Dutton is a surprising witty sensitive and innovative explorer of language and of the human This volume gathers a representative selection of his most significant and characteristic poetry together with a generous selection of uncollected new work Sonosyntactics demonstrates Dutton s willingness to re invent and stretch language and to listen for new possibilities while at the same time engaging with his perennial concerns love sex music time thought humour the materiality of language and poetry itself Gary Barwin s introduction outlines the major subjects and techniques of Dutton s poetry an intricate weaving of thought and language sound and emotion sound and sense and the unfolding of a text through the logic of language play such as puns paradoxes ambiguity and sound relations In an afterword by Dutton himself the poet insightfully lays out the terms of his engagement with the materiality both visual and aural of language often beyond the purely recountable representational or depictive His, Hers, and Yours Dwayne Moore, LaShawna Moore, 2017-05-25 Welcome to the journey of His Hers and Yours This devotional will take you on an introspective walk through the thoughts of
