Metaphor and Thought Andrew Ortony, 1993-11-26 Metaphor and Thought first published in 1979 reflects the surge of interest in and research into the nature and function of metaphor in language and thought In this revised and expanded second edition the editor has invited the contributors to update their original essays to reflect any changes in their thinking Reorganised to accommodate the shifts in central theoretical issues the volume also includes six new chapters that present important and influential fresh ideas about metaphor that have appeared in such fields as the philosophy of language and the philosophy of science linguistics cognitive and clinical psychology education and artificial intelligence *A Cognitive Poetic Perspective on Mapping* Metaphor, Symbol and Allegory ZHU Ruiqing, 2018-12-01 *Visual Metaphors and Aesthetics* Michalle Gal, 2022-05-19 This book offers a new definition of metaphor as an ontological and visual construction whose roots are external visual forms and its motivation is our attachment to forms This definition which Michalle Gal names visualist challenges the ruling conceptualist theory of metaphors and places a new emphasis on how we experience rather than understand metaphors In doing so she responds to the visual turn that is taking place in literature and the media demanding that the visual become a site of philosophical analysis This focus on the external visual world allows Gal to employ visual theories to capture the essence of metaphor She looks beyond conceptual or semantic mechanism and returns to theories of Arnheim and Gombrich and the current evolution of ideas about the visual or material and embodied cognition Proposing to see visual metaphors in their basic form she uses a new externalist terminology of ontology visuality composition affordance construction and emergence Setting out a new theory that takes into account that humans are visual no less than cognitive creatures *Visual Metaphors and Aesthetics* lays the foundation for a new vocabulary to talk about metaphors **Variations on Metaphor** Ilaria Rizzato, Francesca Strik Lievers, Elisabetta Zurru, 2021-08-13 Metaphor is a fascinating and at the same time complex phenomenon It can be approached from a multitude of perspectives and the linguistic realizations of metaphors vary not only across languages but also across text genres cultures and time This book reflects such complexity and variability by gathering a collection of studies that adopt different theoretical views and explore the actual uses of metaphors in different text types literary folkloric journalistic and scientific and languages Hungarian Chinese French English Italian Latin and Ancient Greek By providing the reader with a view of metaphor and current metaphor research which is both diversified and coherent this volume will provide insights for cognitive linguists scholars involved in metaphor studies and more generally readers interested in linguistic variation **Metaphor Translation in Popular Science** Sui He, 2024-12-30 This book explores the intersection of metaphor studies and translation studies specifically focusing on popular scientific articles The volume complements existing work on conceptual metaphor theory in translation by aligning it with conceptual blending theory to demonstrate how an integrated approach offers a more expansive understanding of the cognitive and linguistic dimensions of metaphor translation It includes an essential introduction to the key concepts and theories in

metaphor studies and metaphor translation research discerning the importance of localising theories from neighbouring disciplines such as metaphor studies for advancing interdisciplinary research in translation studies Sui He applies this approach to popular cosmological discourse analysing examples from articles in Scientific American and their Chinese translations allowing for a nuanced examination of translation strategies adopted by translators at both cognitive and linguistic levels which presents the circulation and transformation of popular cosmological knowledge from English in two Chinese mediated communities This book will be of interest to students and scholars in translation studies metaphor studies and discourse analysis

Plant Metaphors in the Old Greek of Isaiah Benjamin M. Austin, 2019-02-01 A thorough analysis of metaphor translation techniques used in Isaiah In this study Benjamin M Austin analyzes all the plant metaphors in Isaiah and classifies them according to the metaphor translation techniques used by the Septuagint translator Austin illustrates how the translator took the context of each metaphor into account and demonstrates how the natural features of the plants under discussion at times influenced their translation He argues that the translator tried to render metaphors vividly and with clarity sometimes adjusting them to match the experience of his audience living in Egypt Austin also examines metaphors in terms of their vehicles the objects of comparison so that the translation of similar metaphors can be compared Features A comparison of the Masoretic Text to the Septuagint and Targum A classification of metaphor translation strategies An introduction to the Hellenistic and the Jewish conception of metaphors

Metaphors in the Discussion on Suffering in Job 3-31 Hanneke van Loon, 2018-09-11 In Metaphors in the Discussion on Suffering in Job 3 31 Hanneke van Loon offers a new approach to the theme of suffering in the book of Job Her analysis of metaphors demonstrates that Job goes through different stages of existential suffering in chapters 3 14 and that he addresses the social dimension of his suffering in chapters 17 and 19 Van Loon claims that Job's existential suffering ends in 19 25 and that chapters 23 31 reflect a process in which Job translates his own experience into a call upon the audience to adopt a new attitude toward the unfortunate ones in society The theoretical approach to metaphors is based on insights from cognitive linguistics

The Transformative Power of Metaphor in Therapy Sana Loue, JD, PhD, MSSA, 2008-07-14 Narrative or metaphor therapy utilizes the patient's own memories and anecdotes as a method for tapping into and confronting the many layers of the complex inner self The book is particularly innovative in the using narrative or metaphor therapy with adults suffering from severe mental illness Unlike other books on the use of narrative therapy this book focuses on the use of prescribed narratives that can be used with individuals to examine their personal situations as well as techniques to guide individuals in the development of their own narratives A comprehensive and detailed guidebook for narrative therapists this book addresses various experiential therapeutic interventions

Can't See the Wood for the Trees? Alison Smith, 2018-08-21 A guide to using the metaphorical language of a stuck situation to discover the solution Shares an easy fun process of exploring well known sayings as a means to identify new solutions and get unstuck in life and work Explains how

to bring clarity to a problem highlight alternative perspectives bypass any conscious resistance to finding a solution and allow solutions to emerge organically from within ourselves Details the author s Landscaping Your Life method which has been used successfully in business strategy development team development project problem resolution and in one to one coaching If you can t see the wood for the trees feel like a fish out of water or are going around in circles we ve got good news for you that saying is also a clue to where you ll find the solution Yes you read right you can use the language you re using to describe the stuck situation to discover the solution It s not even the language as much as the landscape contained within your description of the situation that can give you pointers As Alison Smith explains If a picture paints a thousand words then a metaphor paints a thousand pictures In other words the metaphor in the saying you re using will provide a million words that will undoubtedly have the solution contained within them That s what this book is all about taking these sayings that you re using to describe being stuck and using them to get unstuck again The language you apply provides clues to how you perceive the current situation Subconsciously you know the solution Exploring the metaphors contained within your language allows your subconscious to communicate to your conscious awareness more easily The metaphor reduces resistance and the barriers we put up to change It s as if we enjoy exploring the metaphor and forget what it means in reality and before we know it we have a metaphorical solution that we cannot help but translate into real life Offering an effective easy process based on the power of metaphors Alison Smith introduces her Landscaping Your Life method as a means to bring clarity to a problem highlight alternative perspectives and allow solutions to emerge organically from within ourselves

The Tree of Life and Arboreal Aesthetics in Early Modern Literature Victoria Bladen, 2021-10-27 The Tree of Life and Arboreal Aesthetics in Early Modern Literature explores the vital motif of the tree of life and what it meant to early modern writers who drew from its long histories in biblical classical and folkloric contexts giving rise to a language of trees an arboreal aesthetics An ancient symbol of immortality the tree of life was appropriated by Christian ideology and iconography to express ideas about Christ however the concept also migrated beyond religious doctrine Ideas circulating around the tree of life enabled writers to imagine and articulate ideas of death and rebirth loss and regeneration the condition of the political state and personal states of the soul through arboreal metaphors and imagery The motif could be used to sacralise landscapes such as the garden orchard or country estate blurring the lines between contemporary green spaces and the spiritual and poetic imaginary Located within the field of environmental humanities and intersecting with ecocriticism and critical plant studies this volume outlines a comprehensive history of the tree of life and offers interdisciplinary readings of focus texts by Shakespeare George Herbert Henry Vaughan Aemilia Lanyer Andrew Marvell and Ralph Austen It includes consideration of related ideas and motifs such as the tree of Jesse and the Green Man illuminating the rich histories and meanings that emerge when an understanding of the tree of life and arboreal aesthetics are brought to the analysis of early modern literary texts and their representations of green spaces both physical and metaphysical
