Lync 2013 for Office 365 Quick Reference Video

Set up your video device

You need a camera to share your video, but you don't need one to see someone else's video.

To set up your camera:

- Click **Options** (O) in the Lync main window, then click **Video Device**.
- If you don't see your video preview, make sure the camera is working correctly.
- To adjust settings, click **Camera Settings**.

Start a video call

In your **Contacts** list, point to a contact's photo and click the camera icon.

A message pops up on your contact's screen to accept your call.

To end the video portion of the call, point to the camera icon, and then click one of the following:

- **Stop My Video** to stop your video stream. You'll still see others' video.
- **End Video** to stop seeing all video. You'll still have audio.

TIP During an instant messaging or audio call, click the camera icon to make it a video call.
