Shakespeare, 2015-01-02. George Lyman Kittredge's insightful editions of Shakespeare have endured in part because of his eclecticism, his diversity of interests, and his wide-ranging accomplishments, all of which are reflected in the valuable notes in each volume. These new editions have specific emphasis on the performance histories of the plays on stage and screen. Features of each edition include: The introduction to the original Kittredge Edition; Editor's Introduction to the Focus Edition; An overview on major themes of the plays and sections on the play's performance history on stage and screen; Explanatory Notes. The explanatory notes either expand on Kittredge's superb glosses or, in the case of plays for which he did not write notes, give the needed explanations for Shakespeare's sometimes demanding language. Performance notes, these appear separately and immediately below the textual footnotes and include discussions of noteworthy stagings of the plays, issues of interpretation, and film and stage choices. How to read the play as Performance Section A: a discussion of the written play vs. the play as performed and the various ways in which Shakespeare's words allow the reader to envision the work off the page. Comprehensive Timeline: Covering major historical events with brief annotations as well as relevant details from Shakespeare's life. Some of the Chronologies include time chronologies within the plays. Topics for Discussion and Further Study Section: Critical Issues: Dealing with the text in a larger context and considerations of character, genre, language, and interpretative problems. Performance Issues: Problems and intricacies of staging the play connected to chief issues discussed in the Focus Editions. Introduction. Select Bibliography. Filmography. Hamlet : a Tragedy by William Shakespeare William Shakespeare, 2020-01-10. THE TRAGEDY OF HAMLET, PRINCE OF DENMARK, OFTEN SHORTENED TO HAMLET, IS A TRAGEDY WRITTEN BY WILLIAM SHAKESPEARE AT AN UNCERTAIN DATE BETWEEN 1599 AND 1602. Set in Denmark, the play dramatises the revenge Prince Hamlet is called to wreak upon his uncle Claudius by the ghost of Hamlet's father. King Hamlet, Claudius had murdered his own brother and seized the throne, also marrying his deceased brother's widow. It has inspired many other writers from Johann Wolfgang von

Goethe and Charles Dickens to James Joyce and Iris Murdoch and has been described as the world's most filmed story after Cinderella. The story of Shakespeare's Hamlet was derived from the legend of Amleth preserved by 13th century chronicler Saxo Grammaticus in his *Gesta Danorum* as subsequently retold by the 16th century scholar François de Belleforest. Shakespeare may also have drawn on an earlier Elizabethan play known today as the *Ur Hamlet* though some scholars believe he himself wrote the *Ur Hamlet* later revising it to create the version of Hamlet we now have. He almost certainly wrote his version of the title role for his fellow actor Richard Burbage the leading tragedian of Shakespeare's time. In the 400 years since its inception the role has been performed by numerous highly acclaimed actors in each successive century. Three different early versions of the play are extant the First Quarto Q1 1603 the Second Quarto Q2 1604 and the First Folio F1 1623. Each version includes lines and entire scenes missing from the others. The play's structure and depth of characterisation have inspired much critical scrutiny. One such example is the centuries old debate about Hamlet's hesitation to kill his uncle which some see as merely a plot device to prolong the action but which others argue is a dramatisation of the complex philosophical and ethical issues that surround cold blooded murder calculated revenge and thwarted desire. More recently psychoanalytic critics have examined Hamlet's unconscious desires while feminist critics have re-evaluated and attempted to rehabilitate the often maligned characters of Ophelia and Gertrude. About the author William Shakespeare was an English poet playwright and actor. He was born on 26 April 1564 in Stratford upon Avon. His father was a successful local businessman and his mother was the daughter of a landowner. Shakespeare is widely regarded as the greatest writer in the English language and the world's pre-eminent dramatist. He is often called England's national poet and nicknamed the Bard of Avon. He wrote about 38 plays 154 sonnets two long narrative poems and a few other verses of which the authorship of some is uncertain. His plays have been translated into every major living language and are performed more often than those of any other playwright. Quotes: O that this too too solid flesh would melt. Listen to many speak to a few. Neither a borrower nor a lender be. This above all to thine own self be true though I am native here. Something is rotten in the state of Denmark. That one may smile and smile and be a villain. Reviews: Hamlet is arguably Shakespeare's greatest play tragicomic complex and one of the best of his era. *New Times* dec 2010. Briefly told Hamlet's father the king of Denmark is dead. The king's brother Claudius has seized the crown and married the widowed Queen Gertrude all done with such unseemly haste that the funeral baked meats did coldly furnish forth the wedding tables. To make matters worse Denmark is under threat of invasion from Norway. *LitLovers Reviews* Sept 2012. **Performing Hamlet** Jonathan Croall, 2018-08-23. Hamlet is arguably the most famous play on the planet and the greatest of all Shakespeare's works. Its rich story and complex leading role have provoked intense debate and myriad interpretations. To play such a uniquely multi-faceted character as Hamlet represents the supreme challenge for a young actor. *Performing Hamlet* contains Jonathan Croall's revealing in-depth interviews with five distinguished actors who have played the Prince this century.
