A Haven No Longer Jean Harris Anderson, 2019-09-25 This story gives opportunity to explore end times beliefs and hopefully to examine some of those previously accepted as fact You might think such an inquest predictably boring for over the centuries the Church has repeated unaltered doctrinal beliefs regarding eschatology It has been at times a subject largely ignored or left for theologians to debate And throughout history the study has had little variation so any different interpretation to that which has already been laid out might seem heretical But we are called out for we are on the other side of this partition of Church history awakening to what our departed brothers and sisters of this world were kept from viewing It was all in God's plan but now there is a purpose for us to recognize the unveiling that has just begun And the facts as they now are discerned must be identified and communicated And it may seem surreal to view Biblical verses regarding our future of which there are

hundreds with our highly technical and scientific world announcements We may see there is not much difference in this juxtaposition MIT's Cheetah robot and many other advanced robots such as the Atlas humanoid of Boston Dynamics are of varying appearance and are partially autonomous We developed the first robots that ran and maneuvered like animals a web quote from Boston Dynamics states And the shapes of the locusts are like unto horses prepared unto battle and on their heads were as it were crowns like gold and their faces were as the faces of men Revelation 9:7 What about moving sacred scriptural accounts from ancient realms of geography and human history into our vision of magnification with clarity and comprehension Is there proof to substantiate the use of the Islamic prophet's favorite color with that of the green alien from an unknown dimension as portrayed in this work of Christian speculative fiction *The Software Encyclopedia 2000* Bowker Editorial Staff, 2000-05 Across and Down Eugene T.
