Manual Airsoft P99:

The Theatrical Firearms Handbook Kevin Inouye, 2014-05-30 The Theatrical Firearms Handbook is the essential guide to navigating the many decisions that are involved in the safe and effective use of firearm props for both the stage and screen. This book establishes baseline safety protocol while empowering performers and designers to tell their story of conflict in a way that makes the most of both established convention and current tools of the trade. Within these pages are practical instruction couched in the language of theatre and film making; firearms technology and concepts approachable to dramatic artists without any dumbing down of the subject material. It contains over 100 illustrations. This handbook is equally at home within the worlds of academic training, professional performance and independent or community theatre and video productions and is an invaluable resource for fight choreographers, props designers, backstage crew, directors, actors, stage managers and more at all levels of experience.

Airsoft Sniper Guide Part 1 Christoph Neuwirth, 2015-01-10 This guide is about everything I learned during my sniper education at the Austrian Military and playing 7 years as an airsoft sniper. In this collection I put tips for gameplay advice, what I would buy and some stories from my past. It took me quite a long time to make and I am giving it away for very little money. This few bucks allows me to do what I love. Thank you for your support.
