

Counseling 12 Module 7: Brainstorming Major and Career Options

It's time to begin looking closely at which career path you would like to pursue. This week's lecture is educating you about the major career pathways that exist and we will also discuss choosing an academic major.

Career Pathways

- Career Industry Pathways:
 - ❖ <https://www.careeroptions.org/clusters>
- Common organizational divisions and functions
 - ❖ Example: Accounting not only exists in actual accounting firms but in high tech companies, in restaurants, in small businesses, etc.
 - ❖ Example: Teaching not only exists in a public school but in private, charter, tutoring, consulting, small businesses.

BOTTOM LINE: You can study and enjoy a certain major but prefer to use that subject in a specific field/industry/work environment that is different from another person who studied the same major as you!

Now, this website will help you identify the 15 common career pathways that exist in the United States and more specifically in California. Mind you, it is estimated that over 50% of future jobs (through the year 2025) have not even been created yet. But more than likely, they will be developed in one of the pathways or industries you see.

It is also important to keep in mind that regardless of which career pathway chosen, there are certain careers that exist in all different types of industries (known as a "common organizational function.")

Say, if you wish to go into accounting, you can work for an accounting firm that specializes in this area or you can be working at the accounting department for a high-tech company like Google, or the accounting department for a retail company like Gap or a small restaurant in the
