Saving Super Mom Kristi Walters, 2011 BEING A PARENT is one of the most difficult jobs in the world. It is highly demanding and fast paced, filled with complex issues, unreasonable expectations, and an infinite arrangement of sporting events, recitals, and birthday parties. We become real life Super Moms in order to overcome the challenges. However, somewhere hidden beneath the red superhero cape, most of us are struggling just to keep up. *Saving Super Mom* leads you through an examination of life roles, goal setting, time management, and the development of a personal vision statement. The lessons and exercises in the Tool Kit enable you to discover your life's calling and find all the time you need to become the Super Mom. God created *Saving Super Mom* as an encouraging book that challenges busy moms to examine our daily activities and keep all our focus on serving the Lord instead of trying to be the perfect mom. Julie, mother of Emmaline; Georgia Mary and Colin, humorous and inspiring; Sharon, mother of Jack and James. This study gave me the freedom to choose how to spend my time based on the overflowing of my heart rather than the burden of guilt or obligation. Suzanne, mother of Sam and Cate.
