**Más Allá del Eclipse** Dunnia Balcázar—Goldstein, 2010-06-14 En una frontera sin límites e incomprensible Hector Charles no puede concebir la idea de dónde está quien es ni quien fue pero sospecha que será juzgado por una fuerza superior divina y hasta por el mismo Hector descende a regiones infernales al ser obligado a revivir sistemáticamente cada uno de sus actos y los que a toda costa intenta ocultar y olvidar Por no poder discernir en su posición inanimada su real identidad el hombre sufre las consecuencias derivadas de la intrínseca pasión que lo lleva a un final insospechado no solamente para él sino para todos aquellos que en vida lo rodearon At a limitless and incomprehensible border Hector Charles cannot comprehend where he is who he is or who he was but he suspects that he will one day be judged by a divine higher power and even by himself Hector is descending into hellish depths as he is forced to systematically relive each of his actions actions he tries to hide at all costs and longs to forget As he is unable to discern his real identity in this inanimate position he suffers the consequences that

result from the intrinsic passion that brought him to an end that neither he nor all who knew him in life could have foreseen I would like to add a credit for the artist Jorge Posada who provided his paintings for the covers of both books Covers by Colombian artist Jorge Posada <http://www.jorgeposada.art.com> *Jack & Dora Do L.A.* Robert Szeles, 2012-02-01 Jack Stevens is trying to make it as a screenwriter in Hollywood a town that goes through writers like cheap paper towels He barely gets by working a Beverly Hills art gallery and spends most of his personal time breaking up with his girlfriend Dora Alvarez is trying to launch her jewelry and lingerie business From the money she saves waiting tables at the trendy French Japanese restaurant Le Tentacle she figures she'll open shop sometime around the next ice age which she swears will be way before she gets involved in another monogamous relationship When two of the least respected Gods of Los Angeles Love and Romance reroute Jack and Dora onto the bumpy five lane freeway to love the car stressed lovers find themselves put to the test They'll contend with a vengeful ex girlfriend a dominatrix boss an irresistible TV star an egomaniacal TV producer Hollywood backstabbing and the greatest obstacles of all themselves A fanciful funny poignant passionate kinky sexy romantic comedy set in Los Angeles where even gods are only as good as their last gig **The Lost El Dorado** Michael Gazdar, 2024-04-27 Professor John Waales an anthropologist at U C Berkeley has spent his life in quest of a great find He has been the assistant on many good projects but every original project he tries winds up in failure His wife died suddenly when he was on a failed mission out of contact with his family for six weeks His daughter who was 12 at the time never forgave him completely He lost himself in his work and further alienated her He has been working on finding the famed El Dorado the legendary city made of gold hidden in the Andean Mountains near Bogota the modern capitol of Columbia for years He is close friends with a chiropractor Dr Jack Paris who takes care of him and his daughter He has an assistant Robin Quigley who is secretly plotting against him to capture gold and the glory of the El Dorado treasure He is also friends with the skipper of a W W II PT boat who takes him up the Amazon in search for the gold His theory laughed at by many of his colleagues shows that the Chibcha Indians who built the Lost City at Lake Guatavita actually tore down the buildings covered with sheets of gold took their treasures and moved out of the mountains down several thousand feet to the Amazon jungle along one of the many hidden tributaries Here they hid from the outside world and were never heard from again except by occasional sightings all unconfirmed This data had been gathered by Professor Waales and was now waiting physical confirmation There is an Ex CIA spy Thomas Reichen who was kicked out of the Agency and was supposed to be terminated They were unable to kill him and he changed his looks and his identity He became a professional guide in Peru and Columbia and learned those countries inside and out He has connections with the natives terrorists drug runners and gun dealers He is hired by a Financier Leon Scarborough who is financing the efforts of the Anthropologist but is actually working for a terrorist The guide is told that once the City is found then he will kill the anthropologist his daughter the chiropractor and the boat captain This also works well for the Guide because he will keep the Captain's boat and will return for supplies to set

up a satellite relay laser weapon which will serve the terrorist s country They would keep the gold and also harvest extract and sell cocaine from the Basin Then the Assistant Anthropologist will take credit for the discovery of the site the laser will be installed and the gold will be secretly removed The assistant anthropologist will be told he will get most of the gold and the credit for the discovery but he will be killed after the others once they discover the City The plan is that at the end the Financier and the Guide will make it back to civilization with the help of the natives and will be thought to be dead along with the others What they also didn t count on was the presence of giant killer piranhas in the river around the new location of the famed El Dorado These piranha were bred over 500 years ago with the local non killer Pacu fish a close relative which feeds on vegetation and also the giant pirarucu fish The Pacu are much larger than the piranhas some two to three feet in length but have the same body shape as the piranhas and the pirarucu are one of the world s largest fresh water fish as long as twelve feet in length and weigh several hundred pounds When they were cross bred by the local kings who lived in the El Dorado they eventually became giant killers with Piranha teeth and a taste for flesh but with the length of the much larger pirarucu and the girth of the fat pacu *Department of Agriculture and Related Agencies Appropriations United States.
