

and history - usually hidden
beneath the surface

consider the following in connection to the previous: the not-yet-known (and thus absent)

production of subjectivity through the history of the subject (subject as constructed)

rethink the position of the subject and its production

critique modern's founding myth

transgression

social systems

historical subject

political subject

issue in depth: Kantian

issue in depth

issue: subjectivity, power and the state (subjectivity's argument)

Jacksonian Democracy Study Guide Answers

R Bogdan

Jacksonian Democracy Study Guide Answers:

The Concept of Jacksonian Democracy Lee Benson, 2015-03-08 Jacksonian Democracy has become almost a commonplace in American history But in this penetrating analysis of one state its voting cycles party makeup and social ethnic and religious patterns Lee Benson shows that the concept bears little or no relation to New York history during the Jacksonian period New York voters between 1816 and 1844 did not follow the traditional distinctions between Whigs and Democrats Ethnic and religious ties were stronger social forces than income occupation and environment Mr Benson s examination suggests a new theory of American voting behavior and a reconsideration of other local studies during this period Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Jacksonian Democracy and the Working Class , Daniel Webster and Jacksonian Democracy
Sydney Nathans,2019-12-01 Originally published in 1973 Professor Nathans illuminates the changes wrought by Jacksonian democracy on the career of Daniel Webster a major political figure and on the destiny of a major political party the Whigs Daniel Webster was a creative anachronism in the Jacksonian era His career illustrates the fate of a generation of American politicians reared to rule in a traditional world of defined social classes where gentlemen led and the masses followed With extensive research into primary sources Nathans interprets Webster as a leader in the older political tradition hostile to permanent organized political parties and fearful of social strife that party conflict seemed to promote He focuses on Webster s response to the rise of entrenchment of voter oriented partisan politics He analyzes Webster s struggle to survive comprehend and finally manipulate the new politics during his early opposition to Jackson his roles in the Bank War and the nullification crisis and the contest for leadership within the Whig Party from 1828 to 1844 Webster and the Whigs resisted and then belatedly attempted to answer the demands of the new egalitarian mass politics When Webster failed as an apologist for government by the elite he became a rhapsodist of American commercial enterprise Seeking a new power base he adapted his public style to the standards of simplicity and humility that the voters seemed to reward Nathans shows however that Webster developed a realistic vision of the common bonds of Jacksonian society of the basis for community that would warrant anew the trust needed for the kind of leadership he offered The meaning of Webster s career lies in these attempts to bridge the old and new politics but his attempt was doomed to ironic and revealing failure Nathans studies Webster s impact on the Whig party showing that his influence was strong enough to thwart the ambitions of his rivals Henry Clay and John C Calhoun but not strong enough to achieve his own aspirations Nathans argues that Webster through his efforts to increase his authority within the party merely revealed his true weakness as a sectional leader His successful blocking of Clay and Calhoun brought about a deadlock that significantly hastened the transfer of power to men more committed to strong party organization and more talented at voter manipulation Webster s dilemma was the crisis of an entire political generation reared for a traditional world and forced to function in a modern one *Wiley AP U.S. History*
