

## MPNP SELF-ASSESSMENT POINTS

All applicants must complete the MPNP Self-assessment Worksheet (except applicants who are currently working in Manitoba).

**Instructions:** Determine your points for each of the five factors below. Note that all applicants must have a Connection to Manitoba, under Factor 5: Adaptability. If you do not have a Connection to Manitoba you are NOT eligible to apply, regardless of your points total.

Your worksheet is a required document with your application. For an application to be accepted for consideration you must score at least 60 points. If you score less than 60 points in the MPNP Self-assessment Worksheet you are not eligible to apply.

The MPNP points grid and worksheet are for self-assessment and personal information only. Actual assessment is done by the MPNP after you submit your application, complete with supporting documents and Settlement Plan Part 1, according to current criteria and information on eligibility, policy and procedure published on the MPNP website, [immigratemanitoba.com](http://immigratemanitoba.com), on the date your application is received by the MPNP.

### FACTOR 1: LANGUAGE PROFICIENCY

Language points are calculated according to documented proof of training and ability in one or both of Canada's official languages, English and French. If you are proficient in both, choose as first language the one you are more comfortable using. "CLB" refers to Canadian Language Benchmarks/Niveaux de compétence linguistique canadiens (NCLC). For information on approved tests, and how test scores relate to CLB levels indicated below, use the [language tools](#) on our website. Ex: CLB 5 (14 points) requires IELTS scores of at least listening 5.0, reading 4.0, writing 5.0, speaking 5.0.

\* A native speaker is fluent and has used English or French since earliest childhood as their language of communication in family, school, work and social life in a country where the official language is English or French. For more information and specific qualifications for native speaker visit our website.
