The Maximo extensions for Building Information Modeling (BIM) is released as trial software and distributed on the IBM Service Management (ISM) Library. An existing Maximo Asset Management 7.5 or 7.6 license and installation is required. Trial software is not supported by the IBM Maximo support program; however, support is available directly from the IBM Maximo development team for as long as the software is available for download on the ISM Library. Check the ISM Library for the most recent version as well as continued availability. Only an English version is distributed during the trial. Your feedback is important because the software is being evaluated for possible integration with other Maximo products. Send all support questions and feedback to: mx-bim@us.ibm.com
