

Preface

“Std. XI: Sci. Triumph Maths” is a complete and thorough guide to prepare students for a competitive level examination. The book will not only assist students with MCQs of Std. XI, but will also help them to prepare for JEE (Main), CET and various other competitive examinations.

The content of this book is based on the Maharashtra State Board Syllabus. **Formulae** that form a key part for solving MCQs have been provided in each chapter. **Shortcuts** provide easy and less tedious solving methods.

MCQs in each chapter are divided into three sections:

- **Classical Thinking:** consists of straight forward questions including knowledge based questions.
- **Critical Thinking:** consists of questions that require some understanding of the concept.
- **Competitive Thinking:** consists of questions from various competitive examinations like JEE (Main), CET, etc.

Hints have been provided to the MCQs which are broken down to the simplest form possible.

An **Evaluation Test** has been provided at the end of each chapter to assess the level of preparation of the student on a competitive level.

The journey to create a complete book is strewn with triumphs, failures and near misses. If you think we’ve nearly missed something or want to applaud us for our triumphs, we’d love to hear from you.

Please write to us on : mail@targetpublications.org

Best of luck to all the aspirants!

Yours faithfully
