

An abstract graphic consisting of thick, expressive black brushstrokes on a white background. The strokes are diagonal, sweeping from the top left towards the bottom right, creating a sense of movement and texture. The edges of the strokes are rough and irregular, resembling paint applied with a brush.

Mind Body And Culture Anthropology And The Biological Interface:

Mind, Body and Culture Geoffrey Samuel, 1990-06-29 The author draws on his background in physics to suggest a scientific approach to aspects of human behaviour which have been traditionally described as cultural or social

The Ashgate Research Companion to Anthropology Andrew J. Strathern, 2016-03-03 This companion provides an indispensable overview of contemporary and classical issues in social and cultural anthropology Although anthropology has expanded greatly over time in terms of the diversity of topics in which its practitioners engage many of the broad themes and topics at the heart of anthropological thought remain perennially vital such as understanding order and change diversity and continuity and conflict and co operation in the reproduction of social life Bringing together leading scholars in the field the contributors to this volume provide us with thoughtful and fruitful ways of thinking about a number of contemporary and long standing arenas of work where both established and more recent researchers are engaged The companion begins by exploring classic topics such as Religion Rituals Language and Culture Violence and Gender This is followed by a focus on current developments within the discipline including Human Rights Globalization and Diasporas and Cosmopolitanism It provides an interesting and challenging look at the state of current thinking in anthropology serving as a rich resource for scholars and students alike

Collective and Individual Responsibility Jurrien Mol, 2009-08-31 A long discussed theme concerning Ezekiel 18 and 20 is the relationship between collective and individual responsibility In the first half of the twentieth century the discussion appeared to end as a result of the introduction of the corporate personality by Henry Wheeler Robinson 1872 1945 This concept became heavily discussed and was dismissed on the grounds of its superseded theoretical basis The continuing use of the concept requires a redefinition and a new theoretical basis which is provided by the multimodal framework by Geoffrey Samuel from the field of cultural anthropology Before applying the concept Ezekiel 18 and 20 are studied extensively relative to textual criticism philology grammar and structural analysis
