## **Employment Reference Guide:**

**Reference Guide to Post-government Service Employment Activities of Department of the Navy Personnel**, 1997     ECA Employers' Consultative Association of Trinidad & Tobago, 2004\*     Federal Employment Reference Guide 2017, 2017-08-25 This manual is intended to be a resource for ambulance service supervisors managers and directors who are charged with making employment decisions daily This document can be used by any departmental leader including ambulance operations communications billing or human resources It can be difficult for any individual to know all the laws that apply to them as employers and even more difficult to find the resources necessary to ensure compliance Because not all laws apply to every employer this resource manual is intended to be a quick reference guide for EMS leaders An EMS leader can quickly learn Federal law applies to their company and the major provisions with which they must comply This reference manual identifies the Federal employment laws and compiles the information from many of the Federal agencies charged with their enforcement The manual identifies the enforcement agency the applicability to certain employers and the law s major provisions In addition when an agency has provided a sample form or posting for employers to utilize it is included so that employers can easily locate and incorporate them Employers should know that this reference manual focuses on the Federal law and that in many instances other state or local laws may provide for greater requirements or protections for employer or employee So while you may be following all relevant Federal employment laws an employer may be in violation of the relevant state or local laws In many instances when the Federal law requirements do not include some employers due to the minimum number of employees many states or localities have enacted state or local laws that provide the same or greater protections to employers with fewer employees It is always important to check the law in your city or state to ensure you are acting in a compliant manner     Internal Revenue Manual Index United States.
