Energy Fun Use Your Energy For Fun:

The Magic of Viral Energy Penelope Jean Hayes, 2019-11-05 Want to find your person improve your wellbeing and be successful at your passions *The Magic of Viral Energy MOVE* offers a fun and compelling narrative told through true short stories Its message is for seekers those intrepids who want to squeeze the lemons of life and discover their full potential While meditating in 2007 Penelope Jean Hayes experienced the contagious nature of energy and a phenomenon she calls osmotic energy balancing Over the next decade she intuited a system of creation involving seven levels of energy ascending from dense and heavy upward to enlightenment She shares that each of us has an energetic presence that flows within one of these levels and that we only have access to the energies that reside there Except that we have the ability to move to higher strata accessing the light energies that create more of what we truly want *MOVE* reveals provocative insights into the universe our relationships the energetic antidote to unhappiness and the common cold and our need to move from power through force to empowerment through creation *The Magic of Viral Energy* is eye opening and exciting and it makes day to day life easier and our big dreams possible *The Magic of Viral Energy* could not be timelier in my opinion *MOVE* helps us recognize and understand ourselves Viral energy is food for our soul that s why it s magical Peter Egan actor Downton Abbey Unforgotten and Ever Decreasing Circles *The Uterine Health Companion* Eve Agee, 2010-02-23 The uterus is a

remarkable organ it is our first home contributes to women s sexual pleasure houses some of the strongest muscles in the body and even helps prevent heart disease and high blood pressure However in the West the uterus has generally been viewed as insignificant beyond reproduction and rarely receives our attention except when it becomes problematic or when we focus on getting pregnant or giving birth Even though health promoting strategies for organs like the heart and lungs have become common knowledge preventative measures for lifelong uterine health have been largely absent from Western medical care Consequently one third of all women in the United States will have a hysterectomy the highest rate in the world In *The Uterine Health Companion* anthropologist and holistic health expert Eve Agee reveals that women in many non Western societies do not share our high rates of benign uterine problems or our negative attitudes about the uterus Drawing on her research with women in the United States and abroad Agee shows how traditional practices from other cultures can help create lasting health so that issues such as PMS fibroids and endometriosis do not have to be our destiny as women Through poignant narratives as well as global insights the book inspires us to develop new understandings about health and healing that affirm all women *The Uterine Health Companion* demonstrates why the uterus matters and how we can take care of it from menarche to menopause and beyond A comprehensive holistic plan including nutrition exercise and visualization guides us to promote uterine wellness and enhance conventional medical therapies Chapters dedicated to specific uterine issues illustrate how to support our health through simple daily practices and fundamental attitude shifts in our relationship to our bodies The book also includes strategies for women who have had hysterectomies This empowering

resource offers a prescriptive balanced approach to developing and maintaining optimal uterine health for every woman at any stage of life Award Winner Health Women s Health category 2011 International Book Awards Energy Boosters: 3-in-1 Collection Lena E.
