Modern Indian Literature as Cosmopolis Didier Coste, 2024-10-09 This book redefines modern Indian literature from a cosmopolitan comparative perspective inclusive of literature in English from India and the diaspora in native languages and works by non Indians It shows how since the mid 19th century Indian literary modernity pursued the conjunction of the sensuous and ethical spiritual that characterized its three traditions Sanskritik Persian and folk culture while the encounter both receptive and oppositional with the West vastly expanded the Indian literary sphere Aesthetics and ethics are not antithetical in the Indian cultural space but the quest for an exclusive Indian identity versus universalist approaches offsets concerns for social justice as well as enjoyable embodied communication The literary constellation in many languages now formed in and around India can be better apprehended as a virtual Cosmopolis a commonwealth of elaborate emotions The versatile figure of Hanuman metaphorically flies across this Ocean of Stories to make us discover new worlds of experience

Famous Characters of History ... Jacob Abbott,1906 *Ajanta: History and Development, Volume 2 Arguments about Ajanta* Walter Spink,2018-11-12 Volume Two begins with writings by some of the most important critics of Walter Spink s conclusions interspersed with his own responses using a thorough analysis of the great Cave 26 to support his assertions The author then turns to matters of patronage and to the surprising fact that unlike most other Buddhist sites Ajanta was purely elitist developed by less than a dozen major patrons Its brief heyday traumatically ended however with the death of the great emperor Harisena in about 477 creating political chaos Ajanta s anxious patrons now joined in a headlong rush to get their shrines dedicated in order to obtain the expected merit before they fled the region abandoning their caves to the monks and local devotees remaining at the now doomed site These intrusive new patrons now filled the caves with their own helter skelter votive offerings paying no heed to the well laid plans of the years before A similar pattern of patronage is to be found in the redecoration of the earlier Hinayana caves where the careful planning of the work being done during Harisena s reign is suddenly interrupted by a host of individual votive donations The volume ends with a new and useful editing of Ajanta inscriptions by Richard S Cohen
