*Caught in his Web* Linzi Basset,2021-06-11 One tequila fueled confession was all it took The moment Brooke Willows admitted she wanted Jack Sands he pounced like a cat on a laser pointer After all he'd been fantasizing about a repeat performance of that birthday kiss since she turned twenty one and this time he wasn't letting her get away Brooke She put up with his alpha male peacocking because let's face it the man was walking temptation in a suit And this time she was determined to scratch that particular itch even if it meant enduring his insufferable smugness Mexico seemed like the perfect place to finally combust and boy did they But faster than you could say emotional baggage Jack's hang ups about her past turned their steamy getaway into an arctic freeze Just their luck the LAPD threw them together on a project forcing Jack to face the demons he'd been running from for far too long Love was trying its darndest to play matchmaker but these two weren't exactly cooperative Now they were both wondering if their explosive chemistry was just a spectacular disaster waiting to happen Because sometimes even when two people were perfect for each other they were too busy being perfectly stubborn to notice Would these two hardheads finally get out of their own way Or was this case of combustible attraction destined to go down in flames
