The Encyclopedia of Science Fiction and Fantasy, 1978 The Encyclopedia of Science Fiction and Fantasy Through 1968: Who's who, A-L, 1974 This massively comprehensive work of science fiction and fantasy bibliography is already a library standard. It consists of an alphabetical listing of hundreds of authors, anthologists, editors, artists, etc. with biographical sketches where available and compilations of their science fiction and fantasy works. The contents of most collections and anthologies are listed. In most cases, the entries include bibliographic data for all known English language editions and forms as well as some foreign translations. Each author's entry also includes listings of books and short stories which form connected series such as Robert Heinlein's famous Future History.
