Choices: Forever Series, Book 2 Eve Newton, Being Queen of the Underworld isn't all it's cracked up to be. The last six months have been torture for me. My only constant it seems is my new hotter than hot Alpha Wolf and my beloved Louboutins of course. The struggle to get my life back on track is foiled not only by the sexy as sin Demon Overlord who shows up unannounced but by the mysterious Vampire Hunter who has made me his target de jour. And then there is my sire's first ever charge. A stranger to me that feels far too familiar for my liking. Forbidden doesn't even cover it which just makes him even more appealing to me. As my ever growing group travels to discover more about my role in all of this my world gets shaken to the core by an event that leaves me twisting in the wind. How will I fix it? Your guess is as good as mine.

*Sacrifice: Forever Series, Book 5* Eve Newton, I am barefoot pregnant and in the Dragon Realms I have only been here for a few days but with the time shift I have been gone from my men for months. I know my charges are suffering without me but I can't get back to them. When I do finally return to them I find that they have moved house and grown closer. Or so it seems. The longer I am back the more I see that things haven't changed with how they see their own relationships with me. Except my Wolf. He is lost to me. When one of my husbands stands aside as I am forced to make a sacrifice it doesn't become clear to me until it is too late. Who or what will it be?
