

GET A WORKHORSE!

When 'a little yardwork' means working the range of the great outdoors — a range too wide to walk and too rugged to drive — it sure helps to have a horse. One that can get you where you want to go in comfort, and help you get the job done with time to spare. One that works like a horse without eating like one, and doesn't require even more work just to take care of it.

One like the new Honda CT200 AUTO-AG; a real little workhorse.

From the folks who know just what kind of 'yardwork' you've got in mind.
