Hawthorne Illustrated Edition is a meticulously curated anthology that encapsulates the breadth of Hawthorne's literary genius juxtaposing Gothic sensibilities with psychological depth. This edition features seminal works such as *The Scarlet Letter* and *The House of the Seven Gables* alongside lesser known tales that reflect Hawthorne's preoccupation with morality, guilt, and the complexities of human emotion. The illustrated nature of this collection enhances the reading experience, lending vivid visual interpretations to the intricate themes and rich symbols that permeate his narratives. Nathaniel Hawthorne, an emblematic figure of 19th century American literature, drew upon his Puritan ancestry and the socio-political milieu of his time to craft stories that interrogate the human condition. His background, marred by the weight of familial legacy and the cultural climate of New England, inspired a profound exploration of alienation, sin, and redemption. These influences, coupled with Hawthorne's friendships with contemporaneous transcendentalists like Emerson and Thoreau, shaped his distinctive voice. This illustrated edition is a worthy addition to any literary collection, offering readers a comprehensive dive into Hawthorne's unique stylistic contributions and thematic explorations. Scholars and casual readers alike will find themselves captivated by Hawthorne's intricate prose and vivid imagination, making this collection an indispensable exploration of American Romanticism.

Salomé (Complete Edition: English & French Version) Oscar Wilde, 2019-12-18. Salome tells the Biblical story of Salome, stepdaughter of the tetrarch Herod Antipas, who, to her stepfather's dismay but to the delight of her mother Herodias, requests the head of Jokanaan (John the Baptist) on a silver platter as a reward for dancing the Dance of the Seven Veils. Wilde wrote *Salome* in French and translated it to English several years later. The play was refused a license by the Lord Chamberlain since it was illegal to depict biblical characters. It was eventually performed in Paris, but the ban in England stood for almost forty years. This edition contains both French and English versions of the play.

Parzival A Knightly Epic Volume 1 (of 2) (English Edition) Wolfram von Eschenbach, Example in this ebook. In presenting for the first time to English readers the greatest work of Germany's greatest medieval poet, a few words of introduction, alike for poem and writer, may not be out of place. The lapse of nearly seven hundred years and the changes which the centuries have worked alike in language and in thought would have naturally operated to render any work unfamiliar; still more so when that work was composed in a foreign tongue. But indeed it is only within the present century that the original text of the *Parzival* has been collated from the MSS and made accessible even in its own land to the general reader. But the interest which is now felt by many in the Arthurian romances, quickened into life doubtless by the genius of the late Poet Laureate and the fact that the greatest composer of our time, Richard Wagner, has selected this poem as the groundwork of that wonderful drama, which a growing consensus of opinion has hailed as the grandest artistic achievement of this century, seem to indicate that the time has come when the work of Wolfram von Eschenbach may hope to receive from a wider public than that of his own day the recognition which it so well deserves. Of the poet himself we know but little, save from the personal allusions scattered throughout his works; the dates of his birth and death are alike unrecorded, but the frequent notices of contemporary events

to be found in his poems enable us to fix with tolerable certainty the period of his literary activity and to judge approximately the outline of his life Wolfram's greatest work the Parzival was apparently written within the early years of the thirteenth century he makes constant allusions to events happening and to works produced within the first decade of that period and as his latest work the Willehalm left unfinished mentions as recent the death of the Landgrave Herman of Thuringia which occurred in 1216 the probability seems to be that the Parzival was written within the first fifteen years of the thirteenth century Inasmuch too as this work bears no traces of immaturity in thought or style it is probable that the date of the poet's birth cannot be placed much later than 1170 The name Wolfram von Eschenbach points to Eschenbach in Bavaria as in all probability the place of his birth as it certainly was of his burial So late as the end of the seventeenth century his tomb with inscription was to be seen in the Frauen kirche of Ober Eschenbach and the fact that within a short distance of the town are to be found localities mentioned in his poems such as Wildberg Abenberg Truhending Wertheim etc seems to show that there too the life of the poet knight was spent By birth as Wolfram himself tells us he belonged to the knightly order Zum Schiltesamt bin Ich geboren though whether his family was noble or not is a disputed point in any case Wolfram was a poor man as the humorous allusions which he makes to his poverty abundantly testify Yet he does not seem to have led the life of a wandering singer as did his famous contemporary Walther von der Vogelweide if Wolfram journeyed as he probably did it was rather in search of knightly adventures he tells us Durchstreifen muss Der Lande viel Wer Schiltesamt verwalten will and though fully conscious of his gift of song yet he systematically exalts his office of knight above that of poet The period when Wolfram lived and sang we cannot say wrote for by his own confession he could neither read nor write Ich kan decheinen buochstap he says in Parzival and in Willehalm Waz an den buochen steht geschrieben Des bin Ich kunstelos geblieben and his poems must therefore have been orally dictated was one peculiarly fitted to develop his special genius To be continue in this ebook Heartless English Edition JONAXX,2023-06-02 Rozen Elizalde knows what he wants and won't let anyone or anything stop him from getting them He is strong willed driven stubborn and resolute which causes him to clash with the people around him including his family Despite all that Rozen proves himself to be faithful caring and protective Coreen Aquino likes to play things safe and is always caught in the middle of two big choices She thrives in that constant state of uncertainty forcing others to wait for her to make decisions But when push comes to shove Coreen is prepared to sacrifice for the people she loves even if it means leaving the safety of her comfortable state of limbo Rozen has been pining for Coreen since they were children but Coreen likes his brother Noah more and has not exactly been subtle with her feelings Add to that the fact that she likes the chase too much to give it up just like that But Coreen and Rozen will soon learn that though the people we love can be cruel to us the people who are most heartless to us are ourselves **The Old English Edition: The first book of songs or airs of four parts** Godfrey Edward Pellow Arkwright,1968 Holy Bible, Translated, Revised and Corrected from the 1898 version (English Edition) Edição Digital,2024-09-11 Holy Bible Translated
