There is a factor that should be included in every business and accounting decision, beyond the potential economic and legal consequences. Usually, for each decision, properly and methodically should proceed, considering the right options. The decision guidelines at the end of the chapter apply and the considerations we should take when making decisions. Finally, we might ask ourselves three questions: (1) Is the action legal? (2) Who will be affected by the decision? (3) How will the decision make me feel afterward?
