Flirting After Fifty Barbara L. Bellman, Susan Goldstein, 2008-10-07 Why do some women always have a man in their lives and others never do We owe a debt of gratitude to those women who are successful in dating in flirting in meeting great guys They have shown us the way The older we get the more set we are that things should be done a certain way We like things the way we like things safe expected comfortable So what happens when we need to shake up the status quo and grow Meeting new people gets harder as we age But it doesn t have to be a barrier to happiness We just have to navigate around the obstacles to find our way Flirting is an opening a signal an overture It says I m interested in you It s not a commitment It s not forever after It s a peek and a wink It s the opening credits and if you and he like what unfolds you may stick around and watch the whole story What happens next is up to you Why not go for it You ve got nothing to lose but your heart
