

***Frankenstein***  
**Study Guide Answers**  
**Chapters 1-5**

- 1. Using TWO behavioral characteristics apiece, characterize Victor's parents (Alphonse and Caroline). Be sure to include supporting evidence from the text.**
  - Alphonse would be best described as strict and harsh. This description is accurate because on page 24, paragraph three it states, I communicated my discovery to my father. My father looked carelessly at the title page of my book and said, "Ah! Cornelius Agrippa! My dear Victor, do not waste your time upon this; it is sad trash." This statement would have been fine if it was followed by an explanation for his reasoning. However, it was not. Caroline's personality is loving and thoughtful. In this novel when Elizabeth is sick Caroline helps nurse her back to health. Caroline does this even though Elizabeth is contagious; resulting in Caroline's death. Her action shows that she cared more about Elizabeth than herself.
- 2. Explain Elizabeth's background and how she came to be part of the Frankenstein family. Also, explain Victor's perception of her.**
  - Elizabeth's birth parents died causing her to be raised in a foster home. Caroline saw Elizabeth and fell in love with her so she decided to adopt her into the Frankenstein family. Victor loved Elizabeth so much; he thought she was beautiful, kind, smart, and perfect. In the novel it states that Victor thought of Elizabeth as his own to protect, love, and cherish.
- 3. Explain the difference in Victor and Elizabeth's interests, as described in the beginning of chapter 2. What Romantic/ Gothic characteristics are represented?**
  - Elizabeth was calm and had a more concentrated disposition. On the other hand, Victor was capable of more intense application and was more deeply smitten with the thirst of knowledge. Victor's liking for more adventurous things show references of gothic literature and Elizabeth's calm and sweet demeanor added a softer touch to the pair's personality: referencing somewhat of romantic literature. In page 23, paragraph three it states that Victor's temper was sometimes violent and his passion vehement. While the saintly soul of Elizabeth shone like a shrine- dedicated lamp in their peaceful home.

## **Frankenstein Study Guide Active Chapters Answers:**

**Study Guide for Decoding Frankenstein** Steven Smith, 2023-07-13 Decoding Frankenstein delves into Mary Shelley's seminal work exploring the multifaceted themes and ethical dilemmas that have captivated readers since its inception. The guide begins by examining the novel's historical context, laying the foundation for understanding the societal, scientific, and cultural shifts of the early 19th century that influenced Shelley's writing. This period was marked by rapid advancements in science and technology alongside significant philosophical debates about human nature, ethics, and the role of science in society. These historical elements are crucial for grasping the narrative's complexities and its characters' motivations. At the heart of Frankenstein lies the fraught relationship between Victor Frankenstein and his creation, a central theme that raises questions about responsibility, the consequences of unchecked ambition, and the ethical boundaries of scientific exploration. Victor's ambitious quest to create life and subsequent failure to accept responsibility for his creation encapsulates the novel's critique of human hubris and the moral obligations accompanying scientific discovery. This guide emphasizes the dynamic between creator and creation, exploring how their evolving conflict reflects broader themes of alienation, revenge, and the quest for understanding. The novel's moral and ethical questions, explored in another critical component of this guide, encourage students to reflect on the implications of Victor's scientific endeavors, the societal rejection faced by the Creature, and the devastating impact of loneliness and isolation. These reflections lead to discussions on the nature of justice, the pursuit of knowledge, and the consequences of playing God. The guide also tackles the theme of nature versus nurture, inviting students to consider how environment and treatment shape the Creature's descent into violence and despair. Frankenstein presents an enduring study of the human condition through its rich narrative and complex character dynamics. This guide aims to illuminate the ethical considerations, the significance of empathy, and social responsibility, and the dangers inherent in pursuing knowledge without ethical constraints. By examining these themes, students can engage deeply with Shelley's work and draw connections to contemporary debates surrounding science, ethics, and society. Decoding Frankenstein offers a thorough analysis of Frankenstein, encouraging students to critically engage with the text's historical background, thematic depth, and moral questions. It provides a structured framework for understanding the novel's enduring relevance and the profound ethical considerations it raises, making it an indispensable resource for students seeking to explore the rich narrative and philosophical depths of Mary Shelley's masterpiece. Engaging Ideas John C. Bean, 2011-07-20 Learn to design interest-provoking writing and critical thinking activities and incorporate them into your courses in a way that encourages inquiry, exploration, discussion, and debate. With Engaging Ideas, a practical nuts and bolts guide for teachers from any discipline, integrating critical thinking with writing across the curriculum approaches the book shows how teachers from any discipline can incorporate these activities into their courses. This edition features new material dealing with genre and discourse, community theory, quantitative scientific literacy, blended and online learning, and other

*Teacher Pioneers* Caroline C. Williams,2016-11-18 Teachers work with students parents administrators coaches camp counselors education researchers postsecondary institutions teachers of other grades and other subjects in short teachers accomplish their daily miracles through collaboration by asking questions about what they don t know and sharing what they do This book was written by teacher pioneers to share their collaborating their designing and their exploring      **Journal of**

**the American Medical Association** ,1911      **American Directory of Writer's Guidelines** ,2007-02 Perhaps the best kept secret in the publishing industry is that many publishers both periodical publishers and book publishers make available writer s guidelines to assist would be contributors Written by the staff at each publishing house these guidelines help writers target their submissions to the exact needs of the individual publisher The American Directory of Writer s Guidelines is a compilation of the actual writer s guidelines for more than 1 700 publishers A one of a kind source to browse for article short story poetry and book ideas      **The Draughtsman** ,1921      **New York State Journal of Medicine** ,1910

**Congressional Record** United States. Congress,1956      The Proper Lady and the Woman Writer Mary Poovey,1985-02-15 A brilliant original and powerful book This is the most skillful integration of feminism and Marxist literary criticism that I know of So writes critic Stephen Greenblatt about *The Proper Lady and the Woman Writer* Mary Poovey s study of the struggle of three prominent writers to accommodate the artist s genius to the late eighteenth and early nineteenth century ideal of the modest self effacing proper lady Interpreting novels letters journals and political tracts in the context of cultural strictures Poovey makes an important contribution to English social and literary history and to feminist theory The proper lady was a handy concept for a developing bourgeois patriarchy since it deprived women of worldly power relegating them to a sanctified domestic sphere that in complex ways nourished and sustained the harsh real world of men

With care and subtle intelligence Poovey examines this guardian and nemesis of the female self through the ways it is implicated in the style and strategies of three very different writers Rachel M Brownstein *The Nation* *The Proper Lady and the Woman Writer* is a model of creative discovery providing a well researched illuminating history of women writers at the turn of the nineteenth century Poovey creates sociologically and psychologically persuasive accounts of the writers Wollstonecraft who could never fully transcend the ideology of propriety she attacked Shelley who gradually assumed a mask of feminine propriety in her social and literary styles and Austen who was neither as critical of propriety as Wollstonecraft nor as accepting as Shelley ultimately became Deborah Kaplan Novel *Epic Encounters* Melani McAlister, 2005-07-05 Examines how popular culture has shaped the ways Americans define their interests in the Middle East Author McAlister argues that U S foreign policy while grounded in material and military realities is also developed in a cultural context American understandings of the region are framed by narratives that draw on religious belief news media accounts and popular culture This book skillfully weaves readings of film media and music with a rigorous analysis of U S foreign policy race politics and religious history From publisher description
