Setup is fast and easy; all that is required is for the user to plug the cables into the appropriate ports and there is no software to configure. Furthermore, the CS154F provides two convenient methods to access any PC connected to the system: (1) using the push button port selection switch located on top of the unit's panel; (2) entering HotKey combinations from the keyboard. In addition, a powerful Quick View Scan feature allows you to auto scan and monitor the activities of all operating PCs on the installation one by one.
