they have erected a large statue of napoleon , but when questioned why they did n't capture him yet , they simply say that their boss wanted to make sure that his men would never find out where he hid the money . after hearing the news , they decide to go undercover and infiltrate the bank owned by the president of the state department . while infiltrating the vault , they discover that the robbery will take place over a long period of time . during the heist , the group discovers that the leader of the gang is actually a member of the **national film registry** , known only as the chief of security . the head of the operation is named mr hoover , and the rest of the team are called " **cops** " .

the plan works perfectly until the thieves break into the museum using a concealed tunnel . they steal all the books and papers , leaving the prisoners free to escape . the prison guards chase after them , but the boys manage to hide themselves under desks and chairs before escaping . the boys return home to tell their parents about the incident . their mother is shocked and angry , believing that her sons ' actions led to the death penalty . she scolds them for running away without telling anyone . they explain that they just ran away because they could no longer stand living in fear .
