Getling,2016-03-22 The Casio fx 991ES PLUS is a very widely used scientific calculator and it s not hard to see why For a  
very low price it delivers exceptional functionality In fact in this price range you would either have to be unaware of its  
capabilities or exceedingly stupid to use anything else In most cases it s almost certainly the former because most students  
who do own this calculator have no idea of most of the features that it offers them features that might help them get a better  
exam grade This book aims to remedy that situation With over 250 screen shots accompanied by all the key strokes you won t  
be left guessing how to do something If you read this book and try out the examples you will come away with a thorough
