Corvette 70 Years Richard Prince,2022-10-18 The richly illustrated Corvette70 Years is a complete history of America s only sports car detailing engineering design and key players [General Motors: Life Inside the Factory](#) Richard Thomas Gall,2011-01-04 This book portrays life inside a General Motors factory in the 1970s Have you ever wondered why or how the lazy hourly workers came to be that way This myth is debunked throughout the book Anyone who has ever worked hourly for General Motors the big three or any large manufacturing company will enjoy the experiences provided in this book They will find themselves reminiscing in the past about their own work experiences Anyone who has had a close relative that worked in a factory will want to read this book to get a feel of what their loved ones went through while earning a living The book

comes to the stunning conclusion that General Motors top executives wasted a tremendous amount of human resources over the years They looked down upon the factory workers and treated them as if they were disposable employees They never attempted to tap into the vast and almost incalculable amount of brainpower available because they simply dismissed their classification hourly worker as useless They treated them as if they were the source of all of their problems They never even considered that with four hundred thousand hourly employees they might have had the resources right in front of them to help in solving the vast and complex problems that exist in the every day world of work In todays competitive manufacturing environment Lean Manufacturing has stepped into the forefront for improvement One of the two pillars of Lean manufacturing is respect for the worker If youre an executive leader manager or a student of lean youll want to read this book to see how not to do it One theory of management says that if you dont like what you see around you go look in a mirror first because your workforce is a reflection of your thinking and actions **Chevrolet - Racing?** Paul Van Valkenburgh, 2000-02-25 The sole published expose of one of racing s most famous secret activities Originally published in 1972 Chevrolet Racing reveals the inside story of Chevrolet s early surreptitious involvement in racing from 1957 1970 This re issue of the collector s classic tells the fascinating story of how from 1957 to 1970 Chevrolet probably acquired more successes and more technical knowledge of high performance than any other company in the world Ironically they never built a complete running race ready vehicle nor were ever officially represented at a race and they never claimed credit for any Chevy products in racing wins or promoted them in advertising for all that time How did they accomplish what they did This book reveals the untold story *Cars & Parts* ,1989
