**Slavonic and Romantic Music** Gerald Abraham, 2013-04-18 Gerald Abraham's reputation as an authority on Russian music has tended to obscure his deep interest in the music of Poland and Czechoslovakia and of the nineteenth century generally. From a lifetime's devoted scholarship in these fields Abraham selected his best work to make up this volume first published in 1968, one of exceptional breadth and fascination. The subjects range from the relationship of Slavonic music to the western world to detailed essays on figures such as Chopin, Dvořák, Rubinstein and Mussorgsky. A study of realism in Janáček's operas contains a particularly fine analysis of *From a House of the Dead* and there is an account of the fantastic erotic diary for piano in which Zdeněk Fibich, one of the finest nineteenth-century Czech symphonists, recorded the secrets of his love affair with former student and librettist Anežka Schulzová. Gerald Abraham 1904-1988 was a distinguished musicologist; among his official posts those of Professor of Music at the University of Liverpool and Assistant Controller of Music at the BBC.

**The Bach Cello Suites** Steven Isserlis, 2021-10-05 A unique companion to J.S. Bach's iconic Cello Suites from internationally renowned cellist Steven Isserlis. Isserlis is the master of the material yet always able to make it accessible. It is an absolute treat to be led to this sublime music by such an enthusiastic expert. MICHAEL PALIN: The book I've always wanted: an accessible, eloquent guide to the world's greatest and maybe most elusive pieces of music. And written by the man I'd want to tell me about it. This is such a delight. DERREN BROWN: Illuminating. OBSERVER: Striking. THE SPECTATOR: Bach's six Cello Suites are among the most cherished of all the works in the classical music literature. Shrouded in mystery, they were largely unknown for some two hundred years after their composition; they have acquired a magical aura which continues to attract and fascinate audiences the world over. To cellists they represent a musical bible; to listeners, scarcely less. Through what are on the surface simple dance suites, Bach takes us on a spiritual journey like no other, leading us from joy to tragedy, concluding in jubilation, even triumph. Award-winning international cellist Steven Isserlis, whose recent recording of the Suites met with the highest critical acclaim, goes deep into that emotional journey, bringing to bear all his many years' experience of performing the Suites. His book is intended as a rewarding companion for all music lovers, ranging from the casual listener to the performing musician. By offering his own very personal observations of the music, Isserlis's aim is to take the reader further into the world of the Suites, in order to enhance the experience of hearing some of the greatest works ever composed. Praise for Steven Isserlis: BACH: THE CELLO SUITES. The most wonderful cello playing surely among the most consistently beautiful to have been heard in this demanding music. GRAMOPHONE: Isserlis has done the impossible. He has given the listener something new and indeed something outstandingly good. This recording can sit proudly on the shelf alongside the great recordings of Casals and Rostropovich. In fact, I may find myself picking it up as the favourite. BBC RADIO 3. *Music for Life* Fiona Maddocks, 2016-10-04 How does music reflect the key moments in our lives? How do we choose the works that inspire, delight, comfort or console? Fiona Maddocks selects 100 classical works from across nine centuries, arguing passionately and persuasively.
