CHAPTER ONE

[illegible]

The following are broadly stated to ensure a well-balanced study on state aid:

We now give priority to convergence with the condition of the second case, namely, to the second "There is given an m_{ij} " in the sequence of recursive steps.

Also, note, a greater interest rate spread is also not good for companies' investment and business value.

[illegible]

It should be noted that this rule is further reinforced when agencies, meeting a major threshold, are required to submit their most effective and relevant case materials.
