Dwivedi, 2022-08-04 With the NEP and expansion of research and knowledge has changed the face of education to a great
extent In the Modern times education is not just constricted to the lecture method but also includes a practical knowledge
of certain subjects This way of education helps a student to grasp the basic concepts and principles Thus trying to break the
stereotype that subjects like Physics Chemistry and Biology means studying lengthy formulas complex structures and
handling complicated instruments we are trying to make education easy fun and enjoyable State List of High School
