Both writers are accompanied by another person on their adventure: Simon in Source A, and Marius in Source B.

Use details from both sources to write a summary of what you understand about the differences between the two companions, Simon and Marius.

[8 marks]

3-4 marks/Level 5

In Source A the writer is rude about his companion and doesn't seem to like him, whereas in Source B the writer likes, and is thankful for, her companion. In Source A, the writer says he "swore Simon's character to the devil" showing how upset he was with him. In Source A, the writer describes his companion causing him pain and seeming to not care whereas in Source B the writer identifies that the companion takes a lot of care for her. In Source A, the writer notes that "Simon let me slide faster than I had expected and, despite my cries of alarm and pain, he had kept the pace of descent going" showing that he is not thinking carefully about the writer's safety. However in Source B, the writer identifies that "There were two places where Marius literally pulled me up like a parcel" showing the extra care and attention he is giving to the writer in comparison.
