

What is English Language Paper 1 Section A?

Paper 1, unlike Paper 2, focuses on **fiction** texts, so you will be looking at how writers use language and structure to engage the reader and have particular effects on them when they are reading the texts.

In the exam there are four reading questions and one writing question. In total you have 1 hour and 45 minutes to complete the whole exam paper.

Challenge: Highlight all the key words in AO1, AO2 and AO4.

Extra Challenge: What skills will you need to show for each question?

Mega Challenge: How is AO4 different AO2? What exactly does it mean to **evaluate** rather than to **explain**?

Read carefully through the AOs for Section A above.

Q1 assesses you for AO1.

Q2 assesses you for AO2.

Q3 assesses you for AO2.

Q4 assess you for AO4.

AO3 is not assessed in Paper 1.

AO	What it means:
AO1	To pick out key information that can be explicit or implicit. Also, be able to select evidence from different texts to support ideas.
AO2	To explain and analyse how language and structure is used by writers to affect readers. In explanations students will use subject-specific terms to help back up ideas.
AO3	To compare ideas and attitudes across texts and how writers get across these ideas to their readers
AO4	To evaluate different texts, look at them critically and support interpretations with quotes and references.
