markets had caused government and enterprise sectors to cut down their spending and led to low consumer confidence. Improved broadband service quality and increased income per capita in emerging countries have made smart handheld devices and other consumer electronic devices the engine of growth for the ICT Industry. This report profiles the development of motherboard, notebook, PC, including netbook, server, tablet, smartphone, large, medium, and small LCD panels, LCD TV, and DSC Digital Still Camera in 2013 and examines their future trends beyond.
