Ghana Akwasi Kwarteng Amoako-Gyampah, 2023-03-29 This volume arises from a cooperation between Ghanaian and German academics. It answers the need to have a more comprehensive and up to date volume which addresses key topics, areas and problems of the Ghanaian education system with a focus on history, policy and curriculum related issues. For many years now there have not been new comprehensive publications in this field and it is necessary to introduce a lot of recent changes in Ghana's education system and reflect about their challenges. The information and positions collected in this volume will be of interest to Policy Makers, Educators, Lecturers, Scholars, Students, Teachers, Parents and other interested people of Ghana and other West African countries. The book will also be of great interest to international scholars who want to understand the Ghanaian education system or are involved in academic projects such as internship exchange programmes and joint research activities with Ghanaian academics and educational institutions. Akwasi Kwarteng Amoako Gyampah PhD is a senior lecturer in the Department of History Education, University of Education Winneba, Ghana and a senior research associate in the Department of History, University of Johannesburg, South Africa. Bea Lundt is Prof emer of History and still teaches at the Europe University Flensburg, Germany. She is also Guest Professor at the University of Education Winneba, UEW Ghana.
