entered the United States around 200 years ago but only Missouri almost killed the nation it was trying to join When the
House of Representatives passed the Tallmadge Amendment banning slavery from the prospective new state in February
1819 it set off a two year political crisis in which growing northern antislavery sentiment confronted the southern whites
aggressive calls for slavery s westward expansion The Missouri Crisis divided the U S into slave and free states for the first
time and crystallized many of the arguments and conflicts that would later be settled violently during the Civil War The
episode was as Thomas Jefferson put it a fire bell in the night that terrified him as the possible knell of the Union Drawing on
the participants in two landmark conferences held at the University of Missouri and the City University of New York this first
