Military Dispatches The Duke of Wellington, 2014-07-03 The vivid and exciting accounts written from the front line taking the story of the British war with Napoleon from its desperate beginnings in Portugal to the final triumph at Waterloo The Duke of Wellington was not only an incomparable battle commander but a remarkably expressive fluent and powerful writer His dispatches have long been viewed as classics of military literature and have been pillaged by all writers on the Peninsular War and the final campaigns in France and Belgium ever since they were published This new selection allows the reader to follow the extraordinary epic in Wellington's own words from the tentative beginnings in 1808 clinging to a small area of Portugal in the face of overwhelming French power across the whole of the rest of Europe to the campaigns that over six years devastated opponent after opponent The book ends with Wellington's invasion of France and the coda of the 100 days that ended with Napoleon's final defeat at Waterloo

The Falklands 1982 Gregory Fremont-Barnes, 2012-05-20 The story of the British Forces who reclaimed the Falklands territory

from the Argentines On 3 April 1982 British Prime Minister Margaret Thatcher announced that Argentine armed forces had landed on British sovereign territory had captured the men of Royal Marine detachment NP8901 had run up the Argentine flag and had declared the islands and their population to be Argentine An immediate response was required and a task force was rapidly assembled to retake the islands From this point until the Argentine surrender on 14 June the British forces fought what was in many ways a 19th century style colonial campaign at the end of extended supply lines some 8 000 miles from home This book details the major stages of the land campaign to retake the islands focusing on the San Carlos landings the battle for Darwin and Goose Green and the final battles for Mt Longdon Tumbledown and Wireless Ridge the mountains that surrounded the island s capital Stanley Goose Green 1982 Gregory Fremont-Barnes,2016-02-20 A battle that helped decide a rare modern confrontation between an imperial power and an emerging one over territory is expertly related and explained by a leading historian with detailed illustrations and supplementary facts **Journalists in Film** Brian McNair,2009-12-14 A study of the representation of journalists on film and what this tells us about society s relationship with journalism and news media **The House Divided** Barnaby Rogerson,2024-07-02 An incisive look at the past present and future of the religious divide that lies at the heart of the Middle East At the heart of the Middle East with its regional conflicts and proxy wars is a 1400 year old schism between Sunni and Shia To understand this divide and its modern resonances we need to revisit its origins which go back to the death of the Prophet Muhammad in 632 the accidental coup that set aside the claims of his son Ali and the slaughter of Ali s own son Husayn at Karbala These events known to every Muslim have created a slender faultline in the Middle East The House Divided follows these narratives from the first Sunni and Shia caliphates through the medieval empires of the Arabs Persians and Ottomans to the contemporary Middle East It shows how a complex range of identities and rivalries religious ethnic and national have shaped the region jolted by the seismic shift of the Iranian Revolution of 1979 Rogerson s original approach takes the modern chessboard of nation states and looks at each through its particular history of empires and occupiers minorities and resources sheikhs and imams The result is wide ranging empathy understanding and insight a book that is vital for anyone wishing to understand many of the current tensions in the Middle East today Mrs. Dalloway Virginia Woolf,2021-01-05 A stunning new edition of Virginia Woolf s engulfing portrait of one day in a woman s life featuring a new foreword by Jenny Offill the New York Times bestselling author of Weather and Dept of Speculation A Penguin Classics Deluxe Edition Mrs Dalloway said she would buy the flowers herself It s one of the most famous opening lines in literature that of Virginia Woolf s beloved masterpiece of time memory and the city In the wake of World War I and the 1918 flu pandemic Clarissa Dalloway elegant and vivacious is preparing for a party and remembering those she once loved In another part of London Septimus Smith is suffering from shell shock and on the brink of madness Their days interweave and their lives converge as the party reaches its glittering climax In a novel in which she perfects the interior monologue and recapitulates the life cycle in the hours of the day from

first light to the dark of night Woolf achieves an uncanny simulacrum of consciousness bringing past present and future together and recording impression by impression minute by minute the feel of life itself This edition is collated from all known proofs manuscripts and impressions to reflect the author's intentions and includes a catalog of emendations an illuminating introduction and endnotes by the distinguished feminist critic Elaine Showalter and a map of Mrs Dalloway's London For more than seventy five years Penguin has been the leading publisher of classic literature in the English speaking world With more than 2 000 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators The Annotated Memoirs of Ulysses S. Grant (The Annotated Books) Ulysses S. Grant,2018-12-04 With kaleidoscopic trenchant path breaking insights Elizabeth D Samet has produced the most ambitious edition of Ulysses Grant's Memoirs yet published One hundred and thirty three years after its 1885 publication by Mark Twain Elizabeth Samet has annotated this lavish edition of Grant's landmark memoir and expands the Civil War backdrop against which this monumental American life is typically read No previous edition combines such a sweep of historical and cultural contexts with the literary authority that Samet an English professor obsessed with Grant for decades brings to the table Whether exploring novels Grant read at West Point or presenting majestic images culled from archives Samet curates a richly annotated highly collectible edition that will fascinate Civil War buffs The edition also breaks new ground in its attack on the Lost Cause revisionism that still distorts our national conversation about the legacy of the Civil War Never has Grant's transformation from tanner's son to military leader been more insightfully and passionately explained than in this timely edition appearing on the 150th anniversary of Grant's 1868 presidential election *The Soul* Paul Ham,2025-08-05 Wonderfully entertaining Michael McGirr Sydney Morning Herald I am absolutely in awe of this book Hugh Mackay AO Almost everyone thinks they have one but nobody knows what it is For thousands of years the soul was an organ an entity something that was part of all of us that survived the death of the body and ventured to the underworld or to heaven or hell The soul could be saved condemned tortured bought And then mysteriously the soul disappeared The Enlightenment called it the mind And today neuroscientists demonstrate that the mind is the creation of the brain The religious soul lives on in the minds of the faithful while the secular soul means whatever you want it to mean In *The Soul A History of the Human Mind* critically acclaimed historian Paul Ham embarks on a journey that has never been attempted to restore the idea of the soul to the human story and to show how belief in and beliefs arising from the soul mind have animated and driven the history of humankind The Soul is much more than a mesmerizing narrative and uniquely accessible way of explaining our story It transforms our understanding of how history works It persuasively demonstrates that the beliefs of the soul mind are the engines of human history *The Greenhill Dictionary of Military Quotations* Peter G Tsouras,2020-05-18 An authoritative compilation of military history quotes from 2000 BC to the present

day A massive compilation casting light not only upon the pain suffering and sheer insanity of war but also upon the unique comradeship and exhilaration of battle this is a valuable addition to the literature of reference The Spectator Peter Tsouras brings 4 000 years of military history to life through the words of more than 800 soldiers commanders military theorists and commentators on war Quotes by diverse personalities Napoleon Machiavelli Atar Che Guevara Rommel Julius Caesar Wellington Xenophon Crazy Horse Wallenstein T E Lawrence Saladin Zhukov Eisenhower and many more sit side by side to build a comprehensive picture of war across the ages Broken down into more than 480 categories covering courage danger failure leadership luck military intelligence tactics training guerrilla warfare and victory this definitive guide draws on the collected wisdom of those who have experienced war at every level From the brutality and suffering of war to the courage and camaraderie of soldiers to the glory and exhilaration of battle these quotes offer an insight into the turbulent history of warfare and the lives and deeds of great warriors

Embattled America Jason Bivins,2022 Embattled America is a reinterpretation of conservative evangelical persecution claims The centrality of such claims to American life is widely known This book however argues against standard approaches to them It interprets a range of controversial subjects and persons surrounding embattled religion from the Obama to Trump era Glenn Beck Sarah Palin the Tea Party Wallbuilders anti sharia legislation and birthers The lesson of each episode is linked not to any iteration of religion but to a democratic fundament that is obscured in the obsession with controversial religion The Vietnam War James Edward Westheider,2007-09-30 The Vietnam War was different from most previous U S wars of the twentieth century It was an undeclared and limited war The draft to supply the soldiers and serious problems in the Selective Service system meant that the burden of the war was carried disproportionately by minorities and working class whites many of whom did not want to serve While many Americans saw service in Vietnam as their patriotic duty others opposed the war This is the story of the men and women who served in that war whether overseas in active combat or in support roles in Viet Nam and stateside

Shooting the Messenger Paul Moorcraft,2011-10-31 Wars have dominated politics since history began In the modern era most of what the media reports on foreign conflicts comes from a small band of war correspondents As the furore over the Iraq Afghan and now the Libyan wars demonstrates Western governments and militaries often collude to keep their voters in the dark about the causes and the conduct of wars waged in their name In this entertaining and unspun account of modern war reporting the authors ask whether the media itself drives democracies to war Or does it serve to constrain evil ignorant and messianic leaders Are the heirs of William Howard Russell the first modern war reporter watchdogs or lapdogs In the age of Wikileaks and corrupt media empires what is the political impact of war correspondents Are they the heroes or harlots of their profession
