Future Developments

For the latest information about developments related to Schedule K-1 (Form 1120-S) and its instructions, such as legislation enacted after they were published, go to [IRS.gov/Form1120S](https://www.irs.gov/Form1120S).

What's New

Schedule K-3. New Schedule K-3 replaces prior box 14 and certain amounts formerly reported on box 17 of Schedule K-1. The new schedule is designed to provide greater clarity for shareholders on how to figure their U.S. income tax liability with respect to items of international tax relevance, including claiming deductions and credits.

Form 7203. Form 7203 and its separate instructions are developed to replace the Worksheet for Figuring a Shareholder's Stock and Debt Basis. See the instructions for Form 7203 for details.

New item added to Part I. Item D is added for the corporation's total number of shares for the beginning and end of the tax year.

General Instructions

Purpose of Schedule K-1

The corporation uses Schedule K-1 to report your share of the corporation's income, deductions, credits, and other items. Keep it for your records. Don't file it with your tax return unless backup withholding is reported in box 13 using code O. (See the instructions for [Code O, Backup withholding](#), later.) The corporation

files a copy of Schedule K-1 with the IRS.

For your protection, Schedule K-1 may show only the last four digits of your identifying number (social security number (SSN), employer identification number (EIN), or individual taxpayer identification number (ITIN)). However, the corporation has reported your complete identifying number to the IRS.

You may be liable for tax on your share of the corporation's income, whether or not distributed. Include your share on your tax return if a return is required. Use these instructions to help you report the items shown on Schedule K-1 on your tax return.

Your share of S corporation income isn't self-employment income and it isn't subject to self-employment tax.

The amount of loss and deduction you may claim on your tax return may be less than the amount reported on Schedule K-1. It is the shareholder's responsibility to consider and apply any applicable limitations. See [Limitations on Losses, Deductions, and Credits](#), later, for more information.

Schedule K-1 doesn't show actual dividend distributions the corporation made to you. The corporation must report such amounts totaling \$10 or more for the calendar year on Form 1099-DIV, Dividends and Distributions.

Inconsistent Treatment of Items

Generally, you must report corporate items shown on your Schedule K-1 (and any attached statements) the
