and central roles in the history of Mormonism Wherever he looked his ancestors were there during the colonial King Phillip's and French and Indian Wars in New England at the Battle of Bunker actually Breed's Hill and on a prison ship for two years on the Hudson River during the American Revolution on whaling ships in the south Atlantic and northern Pacific during the 1840s at Mormon Kirtland Far West and Nauvoo during the turbulent and often bloody events of the 1830s and 1840s in the earliest Mormon experiments with polygamy almost all of the author's ancestors were polygamists in San Francisco and Sacramento during the earliest stages of the California Gold Rush in the immigrant ships filled with Mormon converts crossing the Atlantic in the wagon trains carrying the saints across the plains to Salt Lake City during the establishment of the Mormon Church in Hawaii in the early 1850s in the first haltering steps toward elementary and higher education in Utah during the Mormon War with the U S army in Utah in 1857 58 in the operation of the early Salt Lake Theater in the building of the transcontinental railroad across Utah in 1869 in the settlement of the wild four corners area during the 1880s and 1890s in the rather secret and somewhat underhanded process by which Utah became a state and in the pioneer settlement of southern Idaho in the early 1900s The author felt impelled to tell these wonderful ancestral stories and it became obvious that this could not be done without giving an account of the history of the Mormon Church the two subjects were intimately interwoven Furthermore telling the linked ancestral Mormon story beginning in the American colonial period could not be adequately undertaken without giving an account of significant events in the larger American story In recent years a number of writers have given us fascinating generational family stories Alex Haley's Roots is a well known example Haley traced his African American family all the way back to a slave taken from a village in Africa In 1991 Chinese American Jung Chang s in her Wild Swans Three Daughters of China told a wonderful story of three generations of Chinese women her great grandmother grandmother and mother reaching back to China Adele Logan Alexander's Homelands and Waterways The American Journey of the Bond Family is an account of several generations of the author's African American family Concerning another example James Fox s The Langhornes of Virginia reviewer Robert Skidelsky wrote It was a clever idea to use family history to write about social and political history What Fox does is to use the Langhorne sisters as a peg on which to hang the story of the decline of the British aristocracy or Empire or both John Hammond's multi volume Mormon Generational Saga evolved into something very similar to Fox s but he utilizes family history to write about religious as well as social and political history In fact what has emerged is a very detailed examination of the early history of the Mormon Church with a special focus upon how that history affected his ancestors The series opens in the earliest years of colonial New England with an account of four of the author's ancestral families and the early lives and ancesto Satans Attacks Against Your Mind Book Volume One Kalu Timanih, 2015-03-20 FOR MANY CENTURIES AND UPTIL DATE MANY CHRITIANS HAVE WONDERED WHY THE BATTLE AGAINST THE FORCES OF SATAN IS FOUGHT IN THE MIND AND HAVE FOUND IT DIFICULT TO UNDERSTAND HOW TO FIGHT THIS BATTLE INSIDE THEIR MIND BUT IN THIS
