athletes What America didn't know about the acclaimed college star was that in direct violation of NCAA policies Bush and his family had allegedly taken hundreds of thousands of dollars in cash and gifts long before he ever laid his hands on the Heisman The rumors first surfaced one week before the 2006 NFL draft allegations of improper benefits that transformed Bush's final year at USC into a financial windfall The resulting scandal from such charges could mark one of the darkest chapters in college football history Now drawn together for the first time in *Tarnished Heisman* the facts are laid bare Don Yaeger a former Sports Illustrated investigative reporter who documented the Duke University lacrosse case in the shattering New York Times bestseller *It's Not About the Truth* reveals the heated controversy behind Bush's high flying rise before turning pro for the New Orleans Saints going back to his first taste of fame when Bush landed in the pages of Sports Illustrated and all eyes were watching to see what was next for the USC sophomore What few eyes saw however were the ties between Bush and two San Diego men cofounders of a fledgling sports agency who claim to have paid Bush and his family in cash and gifts to ensure his endorsement benefits including a vintage car lavish trips and an upscale home where Bush's family lived rent free Don Yaeger exposes the NCAA prohibited activity in which Bush allegedly engaged and also shows how USC and its coaching staff appeared to have turned a blind eye to the increasingly luxurious lifestyle of their star athlete and his family With the explosive information revealed in *Tarnished Heisman* Bush stands to be ruled ineligible a decision that could cost his alma mater the 2004 national championship title force the forfeit of every game Bush played in after losing his eligibility and potentially strip Reggie Bush of the shining prize of his college career the Heisman Trophy
