Mystic Warrior Edwin Harkness Spina, 2008-08 Winner of the Independent Publisher Gold Book Award and Nautilus Silver Book Awards for Visionary Fiction

Mystic Warrior illustrates humanity's largely untapped spiritual potential. It's set in a world where psychic abilities like telepathy, remote viewing, and astral projection out of body experiences are used and abused by both ordinary people and those at the highest levels of government and world leadership. Alec Thorn is a thirty-something go-getter looking to make it big. When a key business ally dies suspiciously, his dream is shattered. Sophie, a wise, eccentric florist, mysteriously leads him to a discovery that will change his life forever: the leader of an elite group of mercenaries has a personal vendetta against him, centuries old, and wants him dead. Ominously, the mercenaries are threatening to auction off a nuclear device to fanatic terrorists bent on world destruction. Aided by Sophie and a rogue bounty hunter, Thorn begins a desperate race against time to develop his psychic abilities and survive in a world he had no idea even existed, and where his previous beliefs about time and space no longer make sense. Thorn's spiritual transformation reveals an unknown world of selfless mystics working behind the scenes, using advanced psychic abilities to battle terrorists and the power elite. This unassuming entrepreneur turned mystic warrior battles against seemingly insurmountable odds with the fate of millions hanging in the balance.

Mystic Warrior won the Independent Publisher Book Award for Visionary Fiction and a Nautilus Silver Book Award for Fiction. Visionary Fiction. Deepak Chopra won the Nautilus Gold that year. Scroll to the top and click the Buy button to order your kindle, paperback, or audiobook now.

Club Board Members Guide John L. Carroll, 2001 Although written with the private club in mind, the common sense solutions John Carroll offers to those responsible for overseeing the running of an organization apply to any board member. Carroll has distilled the complexities of leadership and governance into practical action. With thirty-five years of experience with boards of all types, he shows how a fine-tuned sense of people skills coupled with an understanding of how the club functions creates an atmosphere where decisions can be made for the benefit of the club and all its members.

The Condominium Concept Peter M. Dunbar, 2024-06-03 The purpose of *The Condominium Concept* is to provide a practical guide for officers and board members of residential condominiums. It is not designed as a legal treatise for lawyers. The manual will, however, refer frequently to provisions of the law, helping its user understand the requirements that the law imposes on the operation of condominiums in Florida. Those familiar with prior editions of *The Condominium Concept* will find new references to the law presented in the footnotes of this edition, and the references include key decisions from Florida courts. Condominiums are creatures of statute. The Florida Condominium Act governs their

creation and their ongoing activities The Act also addresses the rights of unit owners and the responsibilities of those who govern the condominium on their behalf This edition of the Concept includes the changes to the Florida Statutes through the 2023 legislative session There are forms and sample documents to help association officials comply with the procedural requirements regulating their duties There is a shorthand guide to the rules of parliamentary procedure and forms to assist in conducting association meetings Finally there are frequent references to sections and paragraphs of the Florida Statutes F S and the Florida Administrative Code F A C to give foundation to the commentary and to direct the reader to other source material if there is need for more information
