Colonial Government Document Based Question

This question is based on the accompanying documents. It is designed to test your ability to work with historical documents. Some of the documents have been edited for the purposes of the question. As you analyze the documents, take into account the source of each document and any point of view that may be presented in the document.

Historical Context:

Due to British political traditions, distance from the mother country (England), and other factors, the thirteen colonies in America began early on to develop democratic features. Despite this, many aspects of colonial life were strikingly undemocratic. A close look at that time period suggests that colonial democracy was a work in progress (slowly developing).

Task:

Using the information from the documents and your knowledge of social studies, write an essay addressing the following:

- * Discuss the influences of colonial governments on the development of representative government (Democracy) in America.
- * Identify and discuss at least two democratic features of colonial America.
- * Identify and discuss at least two undemocratic features of colonial America.
