Harry Wong Procedures:

THE Classroom Management Book, 2nd Edition Harry K. Wong, Rosemary T. Wong, 2018-08-08 This is a solutions book that shows how to organize and structure a classroom to create a safe and positive environment for student learning and achievement to take place. It offers 50 classroom procedures that can be applied, changed, adapted into classroom routines for any classroom management plan at any grade level. The information is supplemented with 40 QR Codes that take the learning beyond the basic text. As the companion book to *THE First Days of School*, it takes one of the three characteristics of an effective teacher: being an extremely good classroom manager and shows how to put it into practice in the classroom. *THE Classroom Management* book will help you prevent classroom discipline problems and help you create an atmosphere where everyone knows what to do even when you are not in the classroom. 320 page book with Index. 50 step by step procedures. 40 QR Codes for extended learning.

The Exceptional Teacher's Handbook Carla F. Shelton, Alice B. Pollingue, 2009-03-18 What an excellent resource for the beginning teacher! Practical down to earth resources that can be implemented the first day of school. Kristle F. Evans, Director of Human Resources, Community Relations, Lampeter Strasburg School District, PA. The book is organized logically and flows well from the first chapter to the last. It helps teachers manage an effective special education classroom the entire school year. This book should be a required resource for every new special education teacher. Phyllis N. Levert, School Administrator, Georgia School Districts, Atlanta, GA. Specific guidelines and strategies to help special educators navigate their first year. The first year in the career of a special education teacher is filled with expectation and promise. Revised to address the most common needs of beginning special education teachers, the third edition of *The Exceptional Teacher's Handbook* helps new educators move confidently from preplanning to post planning for the entire school year. The authors present a step by step management approach complete with planning checklists and other ready to use forms within the context of IDEA 2004 and NCLB. Written from the perspective of a classroom teacher, this popular reference offers updates on Recognized disabilities, Best instructional practices for getting the most out of your students, Successful parent conferences, Effective plans for professional learning, Alternate assessments, emergencies in the school setting, education terminology and more. Actively address challenges and concerns with this one stop handbook that will help smooth the transition from student teacher to professional educator.
